Item 7.01 Regulation FD Disclosure

Attached as Exhibit 99.1 to, and incorporated by reference in, this report is an investor presentation of Sun Communities, Inc. that will be made available to investors beginning on June 3, 2024. The presentation also will be posted on Sun Communities, Inc.'s website, www.suninc.com/investor-relations, on June 3, 2024.

The information contained and incorporated by reference in this Item 7.01 on Current Report on Form 8-K, including Exhibit 99.1 attached hereto, is being furnished and shall not be deemed to be "filed" for purposes of the Securities Exchange Act of 1934, as amended.

This report contains various "forward-looking statements" within the meaning of the Securities Act of 1933, as amended (the "Exchange Act"), and the Company intends that such forward-looking statements will be subject to the safe harbors created thereby. For this purpose, any statements contained in this document that relate to expectations, beliefs, projections, future plans and strategies, trends or prospective events or developments and similar expressions concerning matters that are not historical facts are deemed to be forward-looking statements. Words such as "forecasts," "intende," "intende," "goal," "estimate," "expects," "expects," "expect," "expected," "projected," "projected," "projections," "plans," "predicts," "potential," "seeks," "anticipates," "anticipated," "should," "could," "may," "will," "designed to," "foreseeable future," "believe," "believes," "scheduled," "guidance," "target" and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these words. These forward-looking statements reflect the Company's current views with respect to future events and financial performance, but involve known and unknown risks and uncertainties, both general and specific to the matters discussed in this document, some of which are beyond the Company's control. These risks and uncertainties and other factors may cause the Company's actual results to be materially different from any future results expressed or implied by such forward-looking statements. In addition to the risks described under "Risk Factors" contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2023, and in the Company's other filings with the Securities and Exchange Commission, from time to time, such risks, uncertainties and other factors include, but are not limited to:

- Changes in general economic conditions, including inflation, deflation, energy costs, the real estate industry and the markets within which the Company operates;
- · Difficulties in the Company's ability to evaluate, finance, complete and integrate acquisitions, developments and expansions successfully;
- · The Company's liquidity and refinancing demands;
- · The Company's ability to obtain or refinance maturing debt;
- · The Company's ability to maintain compliance with covenants contained in its debt facilities and its unsecured notes;
- · Availability of capital:
- Outbreaks of disease and related restrictions on business operations;
- · Changes in foreign currency exchange rates, including between the U.S. dollar and each of the Canadian dollar, Australian dollar and Pound sterling;
- · The Company's ability to maintain rental rates and occupancy levels;
- · The Company's ability to maintain effective internal control over financial reporting and disclosure controls and procedures;

- · The Company's remediation plan and its ability to remediate the material weaknesses in its internal control over financial reporting;
- · Expectations regarding the amount or frequency of impairment losses, including as a result of the write-down of intangible assets, including goodwill;
- Increases in interest rates and operating costs, including insurance premiums and real estate taxes;
- · Risks related to natural disasters such as hurricanes, earthquakes, floods, droughts and wildfires;
- · General volatility of the capital markets and the market price of shares of the Company's capital stock;
- · The Company's ability to maintain its status as a REIT;
- · Changes in real estate and zoning laws and regulations;
- Legislative or regulatory changes, including changes to laws governing the taxation of REITs;
- Litigation, judgments or settlements, including costs associated with prosecuting or defending claims and any adverse outcomes;
- · Competitive market forces;
- · The ability of purchasers of manufactured homes and boats to obtain financing; and
- · The level of repossessions by manufactured home and boat lenders;

Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date the statement was made. The Company undertakes no obligation to publicly update or revise any forward-looking statements included or incorporated by reference into this document, whether as a result of new information, future events, changes in the Company's expectations or otherwise, except as required by law.

Although the Company believes that the expectations reflected in the forward-looking statements are reasonable, the Company cannot guarantee future results, levels of activity, performance or achievements. All written and oral forward-looking statements attributable to the Company or persons acting on the Company's behalf are qualified in their entirety by these cautionary statements.

3

Resilient Real Property Operations Drive Growth

NOI from real property operations is largest contributor to results

Leading Owner / Operator of MH, RV, Marinas and UK Properties

■ With ~180,100 operational sites and ~48,200 wet slips and dry storage spaces, Sun is the largest publicly traded owner / operator of MH, RV, Marinas and UK Properties(1)

- Largest publicly traded owner / operator of MH communities in North America:
 296 MH Communities
 100K sites
- 96.7% Occupied

- 179 best-in-class RV communities with 58K sites located in highly desirable destinations
- 33K annual sites in North America
- 25K transient RV sites in North America, 40% 50% of which are candidates for conversion to annual leases

Marina

- Largest and most diversified owner and operator of Marinas in the U.S., with 139 Marinas
- 48K wet slips and dry storage spaces
- ~89% of Marinas have a waitlist

- 2nd largest owner / operator in the UK:

 54 holiday parks

 18K MH sites

 3K transient sites
- 88.9% Occupied

Robust Fundamentals Continue to Drive Performance

- 7.9% North America same property NOI growth in 1Q24; expect 4.6% 5.8% growth in 2024 to be driven by rental rate increases and occupancy gains
- Consistent annual rental rate increases exceed expected inflationary cost pressures
 Expected average rental rate increases: North America MH 5.4%, Annual RV 6.5%, Marina 5.6% and UK 7.1%
- Occupancy gains, including strategic focus on converting transient guests into annual residents, increase our stream of stable revenue and improves operational efficiencies
 Since the start of 2020, we have completed nearly 7,300 conversions through May 31, 2024, and we intend to continue driving conversions

Strong NOI Growth and Progress Toward Simplifying the Company

- Reported Core FFO per Share of \$1.19 for the quarter ended March 31, 2024
- Compared to 2023, North America Same Property NOI increased by 7.9% and UK Same Property NOI increased \$3.3 million, or 44.5%, for the first quarter of 2024
- For the trailing twelve months ended March 31, 2024, converted over **1,750** transient sites to annual contracts, accounting for ~65% of revenue producing site gains
- Balance Sheet: Net debt / TTM recurring EBITDA of 6.1x and ~11% floating rate debt for the quarter ended March 31, 2024
- Disposed of 2 MH properties in Florida and Arizona for ~\$52mm
- Invested ~\$12mm in strategic, bolt-on marina acquisitions year to date
- Updated Full Year 2024 Guidance: expecting total North America Same Property NOI growth of 4.6% - 5.8% and narrowed Core FFO per share to a range of \$7.06 - \$7.22
- 1,177 home sales in the UK through the end of May, an increase of 556 homes since March 31, 2024, and continuing to see demand for homes in our communities

surse: Company information. Refer to Sun Communities, Inc. Form 10-Q and Supplemental for the quarter ended March 31, 2024, as well as Press Releases and SEC Filings for March 31, 2024, for additional information. Refer to Information regarding non-GAAP financial measures in the attached Appendix. New Wife respect to guidance, estimates and forecasted information, see "Caudinarya Statement Regarding Guidance" on page 2 of this presentation.

Key Strategic Priorities and Initiatives

PRIORITIES

Business Model Simplification

Real Property Income and Same Property NOI Maximization

> Active Expense Management

Substantial Capital Expenditure Reduction

Progressing Toward Long-Term Leverage Target

RESULTS OF RECENT STRATEGIC INITIATIVES

- ✓ Simplified Sun NG RV joint venture
- ✓ Sold investment in Campspot for \$27.5mm, recycled \$53mm of capital from MH consumer loans, and sold two MH communities for \$52mm
- ✓ Continue to shift UK NOI towards Real Property with 2024E UK Real Property NOI ~55% of total
- 7,000+ transient RV sites converted to annual since the start of 2020, increasing total number of annual sites by 27%
- √ ~88% of total 2024E NOI from Real Property⁽¹⁾
- √ ~7.1% average Same Property Real Property NOI growth since 2019⁽²⁾
- Limit non-recurring capital expenditures and expecting 50%+ reduction in non-recurring capital expenditures in 2024 versus 2023
- ✓ Long-term leverage target of 5.5x and below ⁽³⁾
- ✓ Since March 31, 2023, reduced floating rate debt exposure ~500bps to ~11%

Manufactured Housing (MH) - North America

Virtually no new supply has been added for years

- Sun MH Communities provide 25% more space than multi-family and single-family rentals at ~50% less cost per square foot (see slide 20)
- 51K+ applications to live in a Sun community in 2023
- Average resident tenure of ~17 years⁽¹⁾ generates steady, growing rental revenue, then home generally sells in place
 Annual home move-outs in Sun's MH communities average 0.4%⁽¹⁾
 Low turnover driven by a \$6k \$10k average cost for a resident to move a home
- North America MH portfolio 96.7% occupied at March 31, 2024
 96.5% average occupancy for the five years ended March 31, 2024

Residents Moved into MH Communities in Record Numbers

Source: Company information, U.S. Bureau of Labor Statistics, Wall Street Research and Zillow. Refer to Sun Communities, Inc. Form 10-Q and Supplemental for the quarter ended March 31, 2024, as well as Press Releases and SEC Filings after March 31, 2024, for additional information, Refer to information regarding non-GOAP financial measures in the attached Appendix.

1) Mile size in North America only Lamary 2022. Heart Changer 2022. Heart Cha

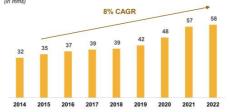

Continued Demand for Affordable Vacationing Despite Declining RV Sales

- From 2008-2012, RV revenue for a portfolio of independent, single park operators grew at a 4.4%⁽²⁾ CAGR
- ~122K new guests visited a Sun RV community in 2023
- RVs stay in Sun's communities for ~8 years on average⁽³⁾

Annual Active Camping Households

- Over 6 million new camping households in 2022 vs. an average of 2 million per year 2015-2019
- 64% of campers camped more or replaced other types of trips with camping in 2022
- Sun's RV communities offer affordable vacations where the average trip is $\mbox{\ensuremath{\textbf{2-3}}}$ hours from a customer's home address
- 11% of RV campers rented from a private owner using a peer-to-peer listing service in 2022

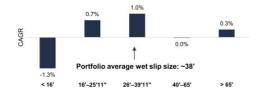

ntal for the quarter ended March 31, 2024, as well as Press Releases and SEC Filings after March 31, 2024, for additional information. Refer to info

Marinas

- Existing base of ~12 million registered boats within the U.S. and an estimated supply of 900K 1 million leasable wet slips and dry storage racks
- Shrinking supply of Marinas due to redevelopment of waterfront properties
- Pre-owned boat sales under 30' grew by ~17% from 2012-2021 whereas sales for boats over 30' increased ~52%
- 49% of Marinas within our portfolio offer service, which increases membership tenure on average by 20% compared to non-service properties

Boat Registrations by Length

- As boats become longer and wider, many marinas cannot keep up with increasing vessel size
- Recent example of wet slip reconfiguration at Safe Harbor Burnt Store in Punta Gorda, Florida demonstrates higher rate achievement:

Source: Company information, NMMA and U.S. Census Bureau. Refer to Sun Commun Refer to information regarding non-GAAP financial measures in the attached Appendix.

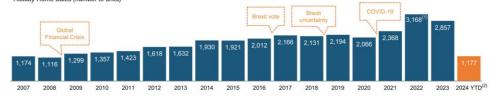

Manufactured Housing (MH) - UK

- Irreplaceable coastal 'destination' locations that are short drives from London and other urban locations
- Numerous barriers to entry including strict regulations and scarcity of land
- UK holiday community market is highly fragmented

- Majority of Sun's holiday parks are owner-occupied on 20+ year licenses subject to annual rent increases
- Average resident tenure 7 8 years
 Strong resident retention YTD in 2023 led to increased real property NOI guidance for UK operations

Resilient Through Economic Uncertainty

AEP Research research research and section of the process of the Proceedings of the Proceedi

UK Business Model Building Blocks

Real Property NOI

- Strong historical and expected income growth
 10-year same property average rental rate increase of 5.2%
 Expecting 7.1% rental rate increase in 2024
- Average resident tenure: 7-8 years
- Occupancy: 88.9% as of March 31, 2024
- Strategic goal of increasing real property NOI contribution relative to home sales

- Upgrade campaigns with existing residents allow for home sales without using incremental sites
- Expansion of select communities creates new vacancy, which generates home sales and additional site fees
- Transient-to-annual conversions of hire fleet (rental homes) depending on demand

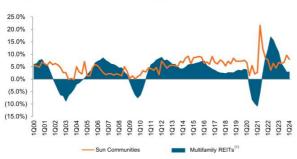

Source: Company information. Refer to Sun Communities, Inc. From 10-Q and Supplemental for the quarier ended March 31, 2024, as well as It francis in measures in the attached Appendix.

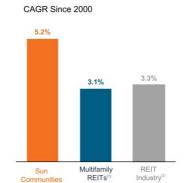

How With regarded to publicace, eliminate and forecasted information, see "Cautionary Statement Regarding Guidence" on page 2 of this present

Sun's Track Record of Growth

- Resilient demand, high barriers to entry, and Sun's investment and operational platform have resulted in consistent, and cycle tested organic cash flow growth
- For more than 20 years, every individual year or rolling 4-quarter period, Sun has recorded positive same property NOI growth
- Over the same period, Sun's average annual same property NOI growth was 5.2%, which is ~210bps greater than that of multifamily REITs of 3.1%

Same Property NOI Growth Quarterly Year-over-Year Growth Since 2000

1) Performance and initiatives for the 2022 and 2023 reporting year are referenced.

Defined Non-GAAP Terms

Investors and analysts following the real estate industry use non-GAAP supplemental performance measures, including net operating income ("NO"), earnings before interest, tax, depreciation and amortization ("EBITDA") and funds from operations ("FEO") to assess RETIs. The Company believes that NOI, EBITDA and FFO are commonly used in various ratios, pricing multiples, yields and returns and valuation colculations used for measure financial position, performance and value. NOI provides a measure of return general consistance in obtain of depreciation, amortization, and non-upporty specific expenses such as general and administrative expenses. EBITDA provides a further measure to evaluate ability to further dependent of the provides an expense of the provides and the prov

NOI

Total Porticio NOI - The Company calculates NOI by subtracting properly operating, expenses and roal estate taxes from operating properly revenues. NOI is a non-GAAP financial measure that the Company believes is helpful to investors as a supplemental measure of operating performance because it is an indicator of the return on properly investment and provides a method of companing properly performance over fine. The Company uses NOI as a key measure when evaluating performance and growth or particular properlies and of or groups of properlies. The principal imitation of NOI is in that it excludes depreciation, amortisation, interest expense, and in operating and seminative expenses such as general and administrative expenses and the properties of which are significant costs. Therefore, NOI is a measure of the operating performance of the properties of the Company return and the Company believes that NOI provides enhanced comparability for investor evaluation of properties performance and growth over fine.

The Company believes that GAAP net income (loss) is the most directly comparable measure to NOI. NOI should not be considered to be an alternative to GAAP net income (loss) is in the contraction of the Company's Equipment of the Company's Equipment of the Company's Equipment of the Company's Equipment of the Company believes that NOI provides as a measure of the company believes that Company believes

EBITDAre - Naret refers to EBITDA as "EBITDAre" and calculates it as GAAP net income (loss), plus interest expense, plus income tax expense, plus depreciation and amortization, plus or minus losses or gains on the disposition of depreciated property (including losses or gains on change of control), just impairment white-downs of depreciated property and of investments in nonconsolidated affidiates. caused by a decrease in value of depreciated property in the affiliate, and adjustments to reflect the entity's area of EBITDAR or inconsolidated affidiates. EBITDAR in a non-GAAP financial measure that the Company uses to evaluate its ability to carried an estimate distinct and service debt. In the case of the company is a supplemental measure to evaluate and compare investment quality and enterprise value of REITS.

Recurring EBITDA. The Company is uses EBITDAR excluding cortain gain and loss terms that management considers unrelated to measurement of the Company's performance on a basis that is independent of capital structure ("Recurring EBITDA"). The Company believes that GAAP ref income (loss) is in incident of the company's transit performance or a basis that is independent or capital structure ("Recurring EBITDA"). The Company believes that GAAP ref income (loss) is in incident of the company's financial performance or GAAP exists from term or quality and incident of the company's financial performance or GAAP exists as measures or financial or floating.

FFO

FFO - Nareit defines FFO as GAP net income (loss), excluding gains (or losses) from sales of certain real estate assets, plus real estate related depreciation, real estate assets and investments, and after adjustments for nonconsolidated partnerships and joint ventures. FFO is a non-GAP financial measure that management believes is a useful supplemental measure of the Company's operation performance. By excluding gains and losses related to sales of previously depreciated operating real seated assets, exist estated insignatement and real assistant is asset depreciation and amortization (which can vary among owners of definical assets of institutions calcounting and used accounting and used in estatistics accounting and used accounting and used in destinations and approximate the accounting and used and instantiation and amortization (which can vary among performance measure that, when compared period-over-period, reflects the impact to operations from trends in occupancy rates, retail relates and operation grows and accounting and used and used accounting and used and accounting and used and accounting and used and instanting accounts and accounting and used accounting and used and accounting and used and accounting and used and accounting and used and accounting and account and account accounting and account accounting and account accounting and accounting and accounting and account acco

Core FFO. In addition to FFO, the Company uses FFO excluding certain pain and loss term that management considers unrelated to the operational and financial performance of the Company's core business ("Core FFO"). The Company believes that Core FFO provides enhanced companibility for whether evaluations of principle control coverage and core from the core from the
