**PROXY STATEMENT  
ANNUAL MEETING OF SHAREHOLDERS  
To Be Held On May 23, 2007**

**PROXIES AND SOLICITATIONS**

This Proxy Statement is furnished to shareholders in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Sun Communities, Inc. (“Sun” or the “Company”) to be used at the Annual Meeting of Shareholders (the “Annual Meeting”) and at any adjournments. If received in time for the Annual Meeting, the shares represented by a valid proxy will be voted in accordance with the specifications, if any, contained in such executed proxy. If no instructions are given, proxies will be voted: (a) FOR election of the two nominees for the Board; and (b) at the discretion of Gary A. Shiffman and Ronald L. Piasecki, the Board’s designated representatives for the Annual Meeting, with respect to such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof. A proxy executed in the enclosed form may be revoked by the person signing it at any time before it is exercised. Proxies may be revoked by filing with the Secretary of the Company, any time prior to the time set for commencement of the Annual Meeting, a written notice of revocation bearing a later date than the proxy, or by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy).

In addition to the use of mails, proxies may be solicited by personal interview, telephone and telegram, by directors, officers and employees of the Company. Arrangements may also be made with brokerage houses or other custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of shares of the Company’s common stock (the “Common Stock”) held of record by such persons, and the Company may reimburse such persons for reasonable out-of-pocket expenses incurred in forwarding material. The Company anticipates that fees and expenses for the foregoing parties will not exceed \$1,000. The costs of all proxy solicitation will be borne by the Company.

The executive offices of the Company are located at 27777 Franklin Road, Suite 200, Southfield, Michigan 48034. The approximate date of mailing of this Proxy Statement and the enclosed Proxy materials to the Company’s shareholders is April 20, 2007.

**TIME AND PLACE OF MEETING**

The Annual Meeting will be held at the Embassy Suites, 28100 Franklin Road, Southfield, MI 48034, on Wednesday, May 23, 2007, at 11:00 a.m., local time.

**VOTING RIGHTS AND  
PRINCIPAL HOLDERS OF VOTING SECURITIES**

Only shareholders of record at the close of business on April 13, 2007 are entitled to notice of and to vote at the Annual Meeting or at any adjournments. As of that date, the Company had 18,276,031 shares of Common Stock issued, outstanding and entitled to vote held by 520 holders of record. Each outstanding share entitles the record holder to one vote. Shares cannot be voted at the Annual Meeting unless the holder is present in person or represented by proxy. Each share of Common Stock outstanding on the Record Date entitles the holder thereof to one vote upon each matter to be voted upon at the Annual Meeting.

If your shares are held in “street name,” your brokerage firm, under certain circumstances, may vote your shares for you if you do not return your proxy. Brokerage firms have authority under the rules of the New York Stock Exchange to vote customers’ unvoted shares on some routine matters. If you do not give a proxy to your brokerage firm to vote your shares, your brokerage firm may either vote your shares on routine matters or leave your shares unvoted. The election of directors (Sole Proposal) is considered a routine matter. You are encouraged to provide voting instructions to your brokerage firm by returning your completed proxy. This ensures your shares will be voted at the meeting according to your instructions. You should receive directions from your brokerage firm about how to submit your proxy to them at the time you receive this proxy statement.

The presence, in person or by proxy, of outstanding shares of Common Stock representing a majority of the total votes entitled to be cast is necessary to constitute a quorum for the transaction of

business at the Annual Meeting. Shares that reflect abstentions or broker non-votes will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting.

With respect to the Sole Proposal, the directors will be elected by a plurality of all votes cast at the Annual Meeting. Accordingly, abstentions will have no effect on the results of the vote.

If there is not a quorum at the Annual Meeting, the shareholders entitled to vote at the Annual Meeting, whether present in person or represented by proxy, shall only have the power to adjourn the Annual Meeting until such time as there is a quorum. The Annual Meeting may be reconvened without notice to the shareholders, other than an announcement at the prior adjournment of the Annual Meeting, within 120 days after the Record Date, and a quorum must be present at such reconvened Annual Meeting.

If a proxy in the form enclosed is duly executed, dated and returned, and it has not been revoked in accordance with the instructions set forth therein, the shares of Common Stock represented thereby will be voted by Gary A. Shiffman and Ronald L. Piasecki, the Board's proxy agents for the Annual Meeting, in accordance with the specifications made thereon by the shareholder. If no such specifications are made, such proxy will be voted (i) for the election of the two nominees for director to the Board; and (ii) at the discretion of Messrs. Shiffman and Piasecki with respect to such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

Information concerning principal holders of the Company's Common Stock is discussed under "Security Ownership of Certain Beneficial Owners and Management."

## **ANNUAL REPORT**

Shareholders are concurrently being furnished with a copy of the Company's 2006 Annual Report which contains its audited financial statements as of December 31, 2006. In addition, copies of the Company's Annual Report on Form 10-K for the year ended December 31, 2006, as filed with the Securities and Exchange Commission (the "SEC"), will be sent to any shareholder, without charge, upon written request to Sun Communities Investor Services, 27777 Franklin Road, Suite 200, Southfield, Michigan 48034.

## **SHAREHOLDER PROPOSALS**

Any and all shareholder proposals for inclusion in the proxy materials for the Company's next Annual Meeting of Shareholders must comply with the rules and regulations promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and must be received by the Company, at its offices at 27777 Franklin Road, Suite 200, Southfield, Michigan 48034, not later than December 21, 2007. Such proposals should be addressed to the Company's Secretary. See "Board of Directors and Corporate Governance Consideration of Director Nominees."

The Company's Bylaws also contain certain provisions which affect shareholder proposals. The Company's Bylaws provide that: (a) with respect to an annual meeting of shareholders, nominations of persons for election to the Board of Directors and the proposal of business to be considered by shareholders may be made only (i) pursuant to the Company's notice of the meeting, (ii) by the Board of Directors, or (iii) by a shareholder who is entitled to vote at the meeting and has complied with the advance notice procedures set forth in the Bylaws; and (b) with respect to special meetings of shareholders, only the business specified in the Company's notice of meeting may be brought before the meeting of shareholders, and nominations of persons for election to the Board of Directors may be made only (i) by the Board of Directors, or (ii) provided that the Board of Directors has determined that directors shall be elected at such meeting, by a shareholder who is entitled to vote at the meeting and has complied with the advance notice provisions set forth in the Bylaws.

**Board of Directors and Committees**

Pursuant to the terms of the Company's charter, the directors are divided into three classes. The class up for election at the Annual Meeting will hold office for a term expiring at the annual meeting of shareholders to be held in 2010. A second class will hold office for a term expiring at the annual meeting of shareholders to be held in 2008 and a third class will hold office for a term expiring at the annual meeting of shareholders to be held in 2009. Each director will hold office for the term to which he is elected and until his successor is duly elected and qualified. Clunet R. Lewis and Arthur A. Weiss have terms expiring at the Annual Meeting and are nominees for the class to hold office for a term expiring at the annual meeting of shareholders to be held in 2010. Ronald L. Piasecki and Gary A. Shiffman have terms expiring at the annual meeting of shareholders to be held in 2008 and Ted J. Simon, Paul D. Lapidès and Robert H. Naftaly have terms expiring at the annual meeting of shareholders to be held in 2009. At each annual meeting of the shareholders of the Company, the successors to the class of directors whose terms expire at such meeting will be elected to hold office for a term expiring at the annual meeting of shareholders held in the third year following the year of their election.

The Board meets quarterly, or more often as necessary. The Board met eight (8) times during 2006 and took various actions pursuant to resolutions adopted by unanimous written consent. All directors (with the exception of Robert H. Naftaly) attended at least 75% of the meetings of the Board and each committee on which they served. All directors (with the exception of Robert H. Naftaly) attended the annual meeting of shareholders held on May 25, 2006.

On October 16, 2006, the size of the Board was expanded from six (6) directors to seven (7) directors and Robert H. Naftaly was appointed to the Board to fill the vacancy created as a result of the expansion. As a result, Mr. Naftaly attended only those Board and committee meetings that occurred after October 16, 2006. Mr. Naftaly attended all of those meetings.

Several important functions of the Board may be performed by committees that are comprised of members of the Board. The Company's Bylaws authorize the formation of these committees and grant the Board the authority to prescribe the functions of each committee and the standards for membership of each committee. In addition, the Board appoints the members of each committee. The Board has four (4) standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee and an Executive Committee. You may find copies of the charters of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee under the "Investor Relations-Officers and Directors" section of the Company's website at [www.suncommunities.com](http://www.suncommunities.com). You may also find a copy of the Company's corporate governance guidelines and its code of business ethics under the "Investor Relations-Officers and Directors" section of the Company's website at [www.suncommunities.com](http://www.suncommunities.com). All of the committee charters, our corporate governance guidelines and the Company's code of business ethics are available in print to any shareholder who requests them.

The Audit Committee operates pursuant to a second amended and restated charter that was approved by the Board in December 2006. A copy of the Audit Committee Charter is attached to this Proxy Statement as Appendix A and is available under the "Investor Relations-Officers and Directors" section of the Company's website at [www.suncommunities.com](http://www.suncommunities.com). The Audit Committee, among other functions, (1) has the sole authority to appoint, retain, terminate and determine the compensation of the Company's independent accountants, (2) reviews with the Company's independent accountants the scope and results of the audit engagement, (3) approves professional services provided by the Company's independent accountants, and (4) reviews the independence of the Company's independent accountants. The current members of the Audit Committee are Messrs. Robert H. Naftaly (Co-Chairman), Clunet R. Lewis (Co-Chairman) and Ted J. Simon, all of whom are "independent" as that term is defined in the rules of the SEC and applicable rules of the New York Stock Exchange ("NYSE"). The Audit Committee held seven (7) formal meetings and several informal meetings during the fiscal year ended December 31, 2006. The Board has determined that each member of the Audit Committee is an "audit committee financial expert," as defined by SEC rules. See "Report of the Audit Committee."

The Compensation Committee operates pursuant to a charter that was approved by the Board in March 2004. A copy of the Compensation Committee Charter is available under the "Investor Relations-Officers and Directors" section of our website at [www.suncommunities.com](http://www.suncommunities.com). The Compensation Committee,

among other functions, (1) reviews and approves corporate goals and objectives relevant to the compensation of the Chief Executive Officer and such other executive officers as may be designated by the Chief Executive Officer, evaluates the performance of such officers in light of such goals and objectives, and determines and approves the compensation of such officers based on these evaluations, (2) approves the compensation of the Company's other executive officers, (3) recommends to the Board for approval the compensation of the non-employee directors and (4) oversees the Company's incentive-compensation plans and equity-based plans. The current members of the Compensation Committee are Messrs. Ted J. Simon (Chairman), Clunet R. Lewis and Ronald L. Piasecki, all of whom are independent directors under the NYSE rules. During the fiscal year ended December 31, 2006, the Compensation Committee held three (3) formal meetings and took various actions pursuant to resolutions adopted by unanimous written consent. See "Report of the Compensation Committee on Executive Compensation."

The Nominating and Corporate Governance Committee (the "NCG Committee") operates pursuant to a charter that was approved by the Board in March 2004. A copy of the Nominating and Corporate Governance Committee Charter is available under the "Investor Relations-Officers and Directors" section of the Company's website at [www.suncommunities.com](http://www.suncommunities.com). The Nominating and Corporate Governance Committee, among other functions, is responsible for (1) identifying individuals qualified to become Board members, consistent with criteria approved by the Board, (2) recommending that the Board select the committee-recommended nominees for election at each annual meeting of stockholders, (3) developing and recommending to the Board a set of corporate governance guidelines applicable to the Company, and (4) periodically reviewing such guidelines and recommending any changes, and overseeing the evaluation of the Board. The current members of the Nominating and Corporate Governance Committee are Ronald L. Piasecki (Chairman), Clunet R. Lewis and Ted J. Simon, all of whom are independent under the NYSE rules. The Nominating and Governance Committee held two (2) formal meetings during the fiscal year ended December 31, 2006.

The Executive Committee was established to generally manage the day-to-day business and affairs of the Company between regular Board meetings. In no event may the Executive Committee, without the prior approval of the Board acting as a whole: (i) recommend to the shareholders an amendment to the Company's Charter; (ii) amend the Company's Bylaws; (iii) adopt an agreement of merger or consolidation; (iv) recommend to the shareholders the sale, lease or exchange of all or substantially all of the Company's property and assets; (v) recommend to the shareholders a dissolution of the Company or a revocation of a dissolution; (vi) fill vacancies on the Board; (vii) fix compensation of the directors for serving on the Board or on a committee of the Board; (viii) declare dividends or authorize the issuance of the Company's stock; (ix) approve or take any action with respect to any related party transaction involving the Company; or (x) take any other action which is forbidden by the Company's Bylaws. All actions taken by the Executive Committee must be promptly reported to the Board as a whole and are subject to ratification, revision and alteration by the Board, except that no rights of third persons created in reliance on authorized acts of the Executive Committee can be affected by any such revision or alteration. The current members of the Executive Committee are Messrs. Gary A. Shiffman and Ted J. Simon. The Executive Committee did not hold any formal meetings during the fiscal year ended December 31, 2006 but took various actions pursuant to resolutions adopted by unanimous written consent.

In addition, in April 2006, the Board formed a Special Litigation Committee to oversee and monitor the ongoing civil litigation between the SEC and the Company's Chief Executive Officer, Chief Financial Officer and former controller arising out of the SEC's inquiry into the accounting for the SunChamp transactions reflected in the Company's 2000, 2001 and 2002 financial statements and the indemnification obligations of the Company with respect to such litigation. Because of his extensive involvement with the SEC inquiry in his capacity as a member of the Audit Committee and because of his background as a litigation attorney, Clunet R. Lewis serves as the sole member of the Special Litigation Committee. Immediately after the formation of the Special Litigation Committee and after so advising the Board as to his intentions, Mr. Lewis, in his capacity as sole member of the Special Litigation Committee, approved the waiver of any technical, potential conflict of interest that may arise in the future as a result of Jaffe, Raitt, Heuer, & Weiss, P.C.'s ("JRH&W") representation of the Chief Financial Officer in the civil litigation and of the Company in the SEC inquiry and other matters. Mr. Lewis approved the waiver of such potential, future conflict of interest because, on balance, the Company benefits from JRH&W's representation of the Chief Financial Officer in the civil litigation from both an expertise and cost-efficiency perspective as a result of JRH&W's extensive involvement with the factual and accounting issues associated with the SEC's inquiry.

You are welcome to make any such report anonymously but the Company prefers that you identify yourself so that the Company may contact you for additional information if necessary or appropriate.

The Company recommends that all correspondence be sent via certified U.S. mail, return receipt requested. All correspondence received by the Compliance Officer will be forwarded by the Compliance Officer promptly to the addressee(s).

## **Independence of Non-Employee Directors**

The NYSE rules require that a majority of the Board consist of members who are independent. There are different measures of director independence—independence under New York Stock Exchange rules, under Section 16 of the Exchange Act and under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”). The Board has reviewed information about each of the Company’s non-employee directors and determined that Paul D. Lapides, Clunet R. Lewis, Robert H. Naftaly, Ronald L. Piasecki and Ted J. Simon are independent directors. The independent directors meet on a regular basis in executive sessions without management participation. In 2007, the executive sessions occurred after some of the regularly scheduled meetings of the entire Board and may occur at such other times as the independent directors deem appropriate or necessary. Although the Company has not designated a lead director, typically the Chairman of the Audit Committee presides at the executive sessions of the independent directors.

## **Compensation Committee Interlocks and Insider Participation**

None of the members of the Compensation Committee has been or will be one of the Company’s officers or employees. The Company does not have any interlocking relationships between its executive officers and the Compensation Committee and the executive officers and compensation committees of any other entities, nor has any such interlocking relationship existed in the past.

## **Consideration of Director Nominees**

### Board Membership Criteria

The Board of Directors has established criteria for Board membership. These criteria include the following specific, minimum qualifications that the NCG Committee believes must be met by an NCG Committee-recommended nominee for a position on the Board:

- The candidate must have experience at a strategic or policymaking level in a business, government, non-profit or academic organization of high standing;
- The candidate must be highly accomplished in his or her field, with superior credentials and recognition;
- The candidate must be well regarded in the community and must have a long-term reputation for high ethical and moral standards;
- The candidate must have sufficient time and availability to devote to the Company’s affairs, particularly in light of the number of boards on which the nominee may serve; and
- The candidate’s principal business or occupation must not be such as to place the candidate in competition with the Company or conflict with the discharge of a director’s responsibilities to the Company or its stockholders.

In addition to the minimum qualifications for each nominee set forth above, the NCG Committee will recommend director candidates to the full Board for nomination, or present director candidates to the full Board for consideration, to help ensure that:

- A majority of the Board of Directors shall be “independent” as defined by the NYSE rules;
- Each of its Audit, Compensation and NCG Committees shall be comprised entirely of independent directors; and
- At least one member of the Audit Committee shall have such experience, education and qualifications necessary to qualify as an “audit committee financial expert” as defined by the rules of the SEC.

#### Consideration of Shareholder Nominated Directors

The NCG Committee’s current policy is to review and consider any director candidates who have been recommended by shareholders in compliance with the procedures established from time to time by the NCG Committee. All shareholder recommendations for director candidates must be submitted in writing to our Secretary at Sun Communities, Inc., 27777 Franklin Road, Suite 200, Southfield, MI 48034, who will forward all recommendations to the NCG Committee. The Company did not receive any shareholder recommendations for director candidates for election at the Annual Meeting. All shareholder recommendations for director candidates for election at the 2007 annual meeting of shareholders must be submitted to our Secretary on or before December 21, 2007 and must include the following information:

- The shareholder’s name, address, number of shares owned, length of period held and proof of ownership;
- The name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five full fiscal years of the proposed director candidate;
- A description of the qualifications and background of the proposed director candidate which addresses the minimum qualifications and other criteria for Board membership as approved by the Board from time to time;
- A description of all arrangements or understandings between the shareholder and the proposed director candidate;
- The consent of the proposed director candidate (1) to be named in the proxy statement relating to the Company’s annual meeting of stockholders and (2) to serve as a director if elected at such annual meeting; and
- Any other information regarding the proposed director candidate that is required to be included in a proxy statement filed pursuant to the rules of the SEC.

#### Identifying and Evaluating Nominees

The NCG Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, executive officers, third-party search firms or any other source it deems appropriate. The NCG Committee will review and evaluate the qualifications of any proposed director candidate that it is considering or has been recommended to it by a shareholder in compliance with the NCG Committee’s procedures for that purpose, and conduct inquiries it deems appropriate into the background of these proposed director candidates. When nominating a sitting director for re-election, the NCG Committee will consider the director’s performance on the Board and the director’s qualifications in respect to the criteria set forth above. Other than circumstances in which we are legally required by contract or otherwise to provide third parties with the ability to nominate directors, the NCG Committee will evaluate all proposed director candidates based on the same criteria and in substantially the same manner, with no regard to the source of the initial recommendation of the proposed director candidate.

**ELECTION OF DIRECTORS**  
**(Sole Proposal)**

The only matter to be considered at the Annual Meeting will be the election of two directors. Following the recommendation of the NCG Committee, the Board of Directors has nominated Clunet R. Lewis and Arthur A. Weiss to serve as directors. Each director shall be elected by a plurality of the votes cast at the Annual Meeting. Therefore, if a quorum is present, abstentions will have no effect on the election of directors. Proxies will be tabulated by the Company's transfer agent. The Inspector of Elections appointed at the Annual Meeting will then combine the proxy votes with the votes cast at the Annual Meeting. Each director elected at the Annual Meeting will serve for a term commencing on the date of the Annual Meeting and continuing until the Annual Meeting of Shareholders to be held in 2010 or until his successor is duly elected and qualified. In the absence of directions to the contrary, proxies will be voted in favor of the election of the two nominees listed below.

If either of the nominees named below are unavailable to serve for any reason, then a valid proxy may be voted for the election of such other persons as the person or persons voting the proxy may deem advisable in accordance with their best judgment. Management has no present knowledge that either of the persons named will be unavailable to serve. In any event, the enclosed proxy can be voted for only the two nominees named in this Proxy Statement or their substitutes.

THE BOARD RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES NAMED BELOW. PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" THE NOMINEES UNLESS INSTRUCTIONS TO WITHHOLD OR TO THE CONTRARY ARE GIVEN.

The following list identifies each incumbent director and nominee for election to the Board at the Annual Meeting and describes each person's principal occupation for the past five years. Each of the directors has served continuously from the date of his election to the present time.

To the best of the Company’s knowledge, there have been no events under any bankruptcy act, no criminal proceedings and no judgments or injunctions that are material to the evaluation of the ability or integrity of any nominee during the past five years.

Directors of the Company who are also employees receive no additional compensation for their services as directors. Effective January 1, 2005, the directors who are not employees of the Company agreed to a 5% reduction in their recurring fees for calendar year 2005 and calendar year 2006. As a result, during 2006, the Company paid such directors: an annual retainer fee of \$38,000; \$2,375 per quarter for attendance at all Board and committee meetings during such quarter; \$2,375 per year for service on, but not chair of, the Audit Committee, the Compensation Committee and the NCG Committee; and \$4,750 per year for the chair of the Audit Committee, the Compensation Committee and the NCG Committee. Although Arthur A. Weiss earned director’s fees of \$38,000 for services during the fiscal year ended December 31, 2006, he declined such fees (See “Certain Transactions – Legal Counsel”). In addition to the recurring fees,

Messrs. Lapides, Lewis, Piasecki and Simon each received \$10,000 for service on a Special Committee formed to review strategic alternatives for the Company. The Special Committee was disbanded in April of 2006. Further, Mr. Lewis received \$100,000 for his service on the Special Litigation Committee.

## **Compensation Discussion and Analysis**

### ***Compensation Committee Composition and Charter***

The Compensation Committee assists the Board in fulfilling its responsibilities for determining the compensation offered to the Company's executive officers. The Compensation Committee, among other functions:

- consults with executive management in developing a compensation philosophy;
- evaluates and approves compensation for the Company's Chief Executive Officer and other executive officers; and
- oversees the general employee benefit programs as well as the Company's cash and equity incentive plans.

The Compensation Committee has the authority to retain and terminate independent, third-party compensation consultants and to obtain independent advice and assistance from internal and external legal, accounting and other advisors. Each member of the Compensation Committee is independent under NYSE rules. A copy of the Compensation Committee Charter is available under the "Investor Relations-Officers and Directors" section of the Company's website at [www.suncommunities.com](http://www.suncommunities.com).

### ***Compensation Philosophy and Objectives***

The goals and objectives of the Company's executive compensation program are to attract and retain a skilled executive team to manage, lead and direct the Company's personnel and capital to obtain the best possible economic results given the severely depressed cycle in the manufactured housing industry.

The executive compensation program supports the Company's commitment to providing superior shareholder value. This program is designed to:

- attract, retain and reward executives who have the motivation, experience and skills necessary to lead the Company effectively and encourage them to make career commitments to the Company;
- create a link between the performance of the Company's stock and executive compensation;
- base executive compensation levels on the overall financial and operational performance of the Company and the individual contribution of the executive officer to the success of the Company; and
- position executive compensation levels to be competitive with other similarly situated public companies including the real estate industry in general and manufactured housing REITs in particular.

Annual salary and bonuses are intended to be competitive in the marketplace to attract and retain executives. Stock options and restricted stock are intended to provide longer-term motivation, over periods of up to twelve years, which has the effect of linking stock price performance to executive compensation. Restricted stock is also intended to provide post-retirement financial security in lieu of other forms of more costly supplemental retirement programs.

The Company has not implemented any policies related to stock ownership guidelines for its executive management or for members of the Board.

### ***Role of Executive Officers in Compensation Decisions***

The Compensation Committee makes all decisions regarding the compensation of executive officers, including cash-based and equity-based incentive compensation programs. The Compensation Committee reviews the performance of the Chief Executive Officer. The Compensation Committee and the Chief Executive Officer annually review the performance of the other executive officers. The conclusions reached and recommendations based on these reviews, including with respect to bonuses and annual award amounts, are presented to the Compensation Committee, which can exercise its discretion in modifying any recommended bonuses or awards.

## *Compensation Components and Processes*

In order to implement the Company's executive compensation philosophy, the Compensation Committee exercises its independent discretion in reviewing and approving the executive compensation program as a whole, as well as specific compensation levels for each executive officer. Final aggregate compensation determinations for each fiscal year are generally made after the end of the fiscal year, after financial statements for such year become available. At that time, the Compensation Committee determines bonuses, if any, for the past year's performance, sets base salaries for those executive officers that are not bound by employment agreements for the following fiscal year and makes awards of equity-based compensation, if any. In addition, the Compensation Committee bases its decisions on the most recent publicly available compensation data for senior executive officers of comparable REITs, as well as various compensation studies and surveys, to ensure that compensation packages are in line with the Company's peer group and the real estate industry in general. While benchmarks and comparative market data are valuable tools to assist the Compensation Committee in setting reasonable and fair compensation for the Company's executive officers, the stated philosophy of the Company's executive compensation program is to recognize individual contributions to the performance of the Company and to create a link between the performance of the Company's stock and executive compensation.

The key components of executive officer compensation are salary, bonuses, restricted stock awards and stock option grants. Salary is generally based on factors such as an individual officer's level of responsibility, prior years' compensation, comparison to compensation of other officers in the Company, and compensation provided at competitive companies and companies of similar size. Cash bonuses, restricted stock awards and stock option awards are intended to reward exceptional performance by the individual executive officer and the Company. Benchmarks for determining bonus levels include individual performance, growth in funds from operations, or FFO, in each case as measured against targets established at the beginning of each year and against the relative performance of the Company in comparison to its peer group of companies, strength of the balance sheet and creation of shareholder value.

Stock options grants that are currently outstanding were awarded in 1998, 1999 and 2001. Stock option grants are valued on the date of grant. Stock option grants vest ratably over three years from the date of grant and expire on the tenth anniversary of the date of grant. As stock options can be fully exercised after three years, they represent a medium-term incentive, the value of which is directly aligned with the achievement of enhanced value for shareholders. Stock options are issued at the market price of the stock on the date of grant except that the options issued in 2001 were granted at 85% of the market price. This differential has been amortized as expense.

Restricted stock awards that are currently outstanding were awarded in 1998, 2001, 2002 and 2004. Restricted stock awards generally begin to vest after three years from the date of grant and then vest over the following seven to nine years. The Company's executive officers (as well as the Company's employees that receive restricted stock awards) receive dividends on the restricted stock awards that have not vested; provided, however, that no dividends are paid on the shares of performance based restricted stock granted to certain of the executive officers in May of 2004. The Company has placed greater emphasis on restricted stock awards in recent years for the following reasons, among others:

- restricted stock awards represent a long-term incentive to key executives to remain committed to the Company and its objectives. This has been especially critical as a result of the depressed state of the manufactured housing industry in general; and
- restricted stock awards encourage the development of a longer term view and strategy for the growth and success of the Company's business.

In May of 2004, the Company granted an aggregate of 93,750 performance-based restricted shares to the Chief Executive Officer and Chief Financial Officer. These restricted shares will vest, if at all, on March 1, 2010. The number of shares that will vest will be determined based on the compounded annual growth rate of the Company's per share FFO as determined by comparing FFO per share for the year ended December 31, 2009, with FFO per share for the year ended December 31, 2005. The Company must achieve compounded annual growth of at least 5% in order for the recipients to receive any amount of the awards and at least 9% to receive the entire share awards. This term was selected because it represents the five years subsequent to the Company's 2004 financial restructuring. These awards were intended to strongly encourage executive management to return the Company to a period of annual improvements to FFO per share.

## **Benchmarks**

The principal benchmark utilized by the Company in implementing its philosophy of executive compensation is the 2006 annual NAREIT Compensation Survey. The Company's intent is that the total annual remuneration of its executives will generally place between the 25th and 50th percentiles of compensation for the residential housing industry.

### ***Employment Agreements***

#### **Gary A. Shiffman**

In 2005, the Company entered into an employment agreement with Gary A. Shiffman pursuant to which Mr. Shiffman serves as President and Chief Executive Office of the Company. Mr. Shiffman's employment agreement is for an initial term ending December 31, 2011 and is automatically renewable for successive one year terms thereafter unless either party timely terminates the agreement. Pursuant to this employment agreement, Mr. Shiffman is paid an annual base salary of \$545,000, which will be increased by an annual cost of living adjustment beginning with calendar year 2006. *A copy of Mr. Jorissen's employment agreement is attached as an exhibit to the Company's periodic filings under the Exchange Act.*

#### **Brian W. Fannon**

In 2005, the Company entered into an employment agreement with Brian W. Fannon pursuant to which Mr. Fannon serves as Chief Operating Officer of the Company. Mr. Fannon's employment agreement is for an initial term ending December 31, 2009 and is automatically renewable for successive one year terms thereafter unless either party timely terminates the agreement. Pursuant to this employment agreement, Mr. Fannon is paid an annual base salary of \$403,700, which will be increased by an annual cost of living adjustment beginning with calendar year 2006. In addition to his base salary and in accordance

with the terms of his employment agreement, Mr. Fannon is entitled to annual incentive compensation of up to 75% of his then current base salary if he satisfies certain individual and company performance criteria established from time to time by the Board and Mr. Fannon is entitled to annual incentive compensation of up to 25% of his then current base salary in the sole discretion of the Compensation Committee. This employment agreement also provides Mr. Fannon with cash compensation based on the dividends resulting from, and the market prices on certain dates of, up to 25,000 shares of stock. Pursuant to a Waiver and Extension Agreement dated November 11, 2005, which modified the original terms of the employment agreement, 8<sup>1</sup>/<sub>3</sub>% of such cash compensation which will be paid in each of 2007, 2008 and 2009 and the balance of which depends on the compound annual growth rate of the Company's funds from operations during a certain period of time through 2009.

The non-competition clauses of Mr. Fannon's employment agreements preclude him from engaging, directly or indirectly, in the real estate business or any ancillary business of the Company during the period he is employed by the Company and for a period of between twelve and twenty-four months thereafter.

*A copy of Mr. Fannon's employment agreement is attached as an exhibit to the Company's periodic filings under the Exchange Act.*

#### **2006 Compensation**

The base salaries for the named executive officers for the year ended December 31, 2006, were paid in accordance with existing employment agreements or arrangements with the Company. No equity incentive awards were granted to any of the named executive officers in 2006. In addition to their base salaries, the named executive officers received, in the aggregate, bonuses of \$300,000 for the year ended December 31, 2006. Each named executive officer is entitled, under the terms of their employment agreements with the Company (in the case of Messrs. Shiffman, Jorissen and Fannon) or other arrangements with the Company (in the case of Mr. Colman), to receive a bonus of up to 25% of his base salary if certain annual individual performance criteria, as established by the Board and the Compensation Committee at the beginning of each fiscal year, are met. The Compensation Committee determined that the named executive officers met such criteria for the year ended December 31, 2006 and that the named executive officers should receive a bonus of approximately 21.5% of their respective base salaries.

#### **Tax and Accounting Implications**

##### **Deductibility of Executive Compensation.**

Section 162(m) of the Internal Revenue Code limits the deductibility on the Company's tax return of compensation over \$1 million to any of its named executive officers. However, compensation that is paid pursuant to a plan that is performance-related, non-discretionary and has been approved by the Company's stockholders is not subject to section 162(m). The Company has such a plan and may utilize it to mitigate the potential impact of section 162(m). The Company did not pay any compensation during 2006 that would be subject to section 162(m). The Company believes that, because it qualifies as a REIT under the Internal Revenue Code and therefore is not subject to federal income taxes on its income to the extent distributed, the payment of compensation that does not satisfy the requirements of section 162(m) will not generally affect the Company's net income. However, to the extent that compensation does not qualify for deduction under section 162(m) or under short term incentive plans approved by shareholders to, among other things, mitigate the effects of section 162(m), a larger portion of shareholder distributions may be subject to federal income taxation as dividend income rather than return of capital. The Company does not believe that section 162(m) will materially affect the taxability of shareholder distributions, although no assurance can be given in this regard due to the variety of factors that affect the tax position of each shareholder. For these reasons, the Compensation Committee's compensation policy and practices are not directly governed by section 162(m).

##### **Accounting for Stock-Based Compensation.**

Beginning on January 1, 2006, the Company began accounting for stock-based payments to employees in accordance with the requirements of FASB Statement 123(R), Share-Based Payment ("SFAS 123R").

409A Considerations.

The Company has also taken into consideration Internal Revenue Code Section 409A in the design and implementation of the Company's compensation programs. If an executive is entitled to nonqualified deferred compensation benefits that are subject to Section 409A, and such benefits do not comply with Section 409A, then the benefits are taxable in the first year they are not subject to a substantial risk of forfeiture. In such case, the executive is subject to regular federal income tax, interest and an additional federal income tax of 20% of the benefit includible in income.

## CERTAIN TRANSACTIONS

### Relationship with Origen

The Company and its affiliates have entered into the following transactions with Origen Financial, Inc. ("Origen"):

- *Capital Investment in Origen.* In 2003 the Company acquired 5,000,000 shares of common stock in Origen in a private placement transaction at \$10 per share. In addition, Shiffman Origen LLC (100 percent of which is owned by the Milton M. Shiffman Spouse's Marital Trust, Gary A. Shiffman and members of his family and solely managed by Arthur A. Weiss) acquired 1,025,000 shares of common stock of Origen at \$10 per share.
- *Board Membership.* Gary A. Shiffman, the Chairman and Chief Executive Officer of the Company, is a member of the Board of Directors of Origen.
- *Loan Servicing Agreement.* Origen Servicing, Inc., a wholly owned subsidiary of Origen, serviced approximately \$20.6 million and \$19.6 million in manufactured home loans for the Company as of December 31, 2006 and 2005, respectively. The Company pays Origen Servicing, Inc. an annual servicing fee of 100 to 150 basis points of the outstanding principal balance of the loans pursuant to a Loan Servicing Agreement, which totaled approximately \$0.3 million during each of 2006 and 2005.
- *Loan Origination, Sale and Purchase Agreement.* Origen has agreed to fund loans that meet the Company's underwriting guidelines and then transfer those loans to the Company pursuant to a Loan Origination, Sale and Purchase Agreement. During 2006 and 2005, the Company purchased \$7.9 million and \$7.2 million of these loans, respectively.
- *Purchase of Repossessed Manufactured Homes.* The Company purchases certain repossessed manufactured houses owned by Origen and located in the Company's manufactured housing communities. The Company purchased approximately \$1.2 million and \$2.1 million of repossessed

homes from Origen during 2006 and 2005, respectively. This program allows the Company to retain houses for resale and rent in its communities and allows Origen to enhance recoveries on its repossessed homes.

- *Sale of Installment Loans on Manufactured Homes.* As noted above, Origen services manufactured home loans for the Company under a Loan Servicing Agreement. Certain loans may, from time to time, be sold to Origen. For loans that are made below published rates, the Company will pay Origen the interest differential between market rates and the rate paid by the borrower for any such loans sold to Origen. During 2004, the Company sold a portfolio of below published rate loans totaling \$1.6 million to Origen. No sales of such loans were made in 2005 or 2006. The Company paid interest differential of approximately \$0.1 million during each of 2006, 2005 and 2004. In addition, in the third quarter of 2006, the Company sold a portfolio of installment loans on manufactured homes totaling approximately \$4.1 million to a wholly-owned subsidiary of Origen for 100.5 percent of the principal balance for loans that were 89 days or less delinquent and 100 percent of the principal balance for loans that were 90 days or more delinquent. The Company recognized a gain on the sale of these notes of \$0.02 million.

#### **Lease of Principal Executive Offices**

Gary A. Shiffman, together with certain family members, indirectly owns approximately a 21 percent equity interest in American Center LLC, the entity from which the Company leases office space for its principal executive offices. Arthur A. Weiss owns a 0.75 percent indirect interest in American Center LLC. This lease is for an initial term of five years, beginning May 1, 2003, and the Company has the right to extend the lease for an additional five year term. The current annual base rent under this lease is at \$20.75 per square foot (gross) (approximately \$54,200 per month) and increases \$0.50 per square foot for each successive year of the initial term. Messrs. Shiffman and Weiss may have a conflict of interest with respect to his obligations as an officer and/or director of the Company and his ownership interest in American Center LLC.

#### **Loans to Chief Executive Officer**

In 1995, the Company issued Gary A. Shiffman, its Chief Executive Officer and President, 400,000 shares of common stock for \$8,650,000 (the “Purchase Price”). The Purchase Price is evidenced by three (3) separate 10-year promissory notes that bear interest at a rate equal to six months' LIBOR plus 175 basis points, with a maximum interest rate of 9% per annum and a minimum interest rate of 6% per annum (the “Promissory Notes”). Two of the Promissory Notes (with an initial aggregate principal amount of approximately \$7.6 million) are secured by approximately 270,000 shares of common stock of the Company held by Mr. Shiffman (the “Secured Shares”) and/or 128,000 common partnership units in Sun Communities Operating Limited Partnership (the “Secured Units”) and the last Promissory Note (with an initial principal amount of approximately \$1.0 million) is unsecured but fully recourse to Mr. Shiffman. Mr. Shiffman's personal liability on the secured Promissory Notes is limited to all accrued interest on such notes plus fifty percent (50%) of the deficiency, if any, after application of the proceeds from the sale of the Secured Shares and/or the Secured Units to the then outstanding principal balance of the Promissory Notes. The Promissory Notes provide for quarterly interest only payments and provide that all cash distributions and dividends paid to Mr. Shiffman on the Secured Shares and the Secured Units (the “Distributions”) will first be applied toward the accrued and unpaid interest under the Promissory Notes and sixty percent (60%) of the remainder of the Distributions, if any, will be applied toward the outstanding principal balance of the Promissory Notes.

In April 1997, the Company loaned Mr. Shiffman an additional \$2,600,391 on terms substantially identical to the terms of the other loan to Mr. Shiffman, as described above, and such loan is secured by 80,000 shares of common stock of the Company held by Mr. Shiffman (the promissory notes evidencing this loan, together with the Promissory Notes, are hereinafter referred to as the “Shiffman Notes”).

On July 15, 2002, the due date of the Shiffman Notes was extended such that one-third of the principal balance becomes due on December 31, 2008, an additional one-third of the principal balance becomes due on December 31, 2009 and the balance of the Shiffman Notes becomes due on December 31, 2010.

The largest aggregate indebtedness outstanding under the Shiffman Notes since January 1, 2006 was approximately \$9.4 million. As of March 31, 2007, the amount outstanding under the Shiffman Notes was approximately \$9.0 million.

## **Legal Counsel**

During 2006, JRH&W acted as the Company's general counsel and represented the Company in various matters. Arthur A. Weiss, a director of the Company, is the Chairman of the Board of Directors and a shareholder of such firm. For services rendered in 2006, the Company incurred legal fees and expenses of approximately \$1.1 million from JRH&W.

## **Tax Consequences Upon Sale of Properties**

Mr. Shiffman holds limited partnership interests in Sun Communities Operating Limited Partnership, our operating partnership, which he received in connection with the contribution of 24 properties from entities previously affiliated with him (the "Sun Partnerships"). Prior to any redemption of these limited partnership interests for the Company's common stock, Mr. Shiffman will have tax consequences different from those of the Company and the Company's public stockholders on the sale of any of the Sun Partnerships. Four of the properties have been sold to date.

## **Policies and Procedures for Approval of Related Party Transactions**

No executive officer or director of the Company (or any family member or affiliate of such executive officer or director) may enter into any transaction or arrangement with the Company that reasonably could be expected to give rise to a conflict of interest without the prior approval of the Nominating and Corporate Governance Committee. Any such transaction or arrangement must be promptly reported to the Nominating and Governance Committee or the full Board. Any such disclosure provided by an executive officer or director is reviewed by the Nominating and Corporate Governance Committee and approved or disapproved. In determining whether to approve such a transaction or arrangement, the Nominating and Corporate Governance Committee takes into account, among other factors, whether the transaction was on terms no less favorable to the Company than terms generally available to third parties and the extent of the executive officer's or director's involvement in such transaction or arrangement.

The current policy was adopted and approved in 2004. All related party transactions disclosed above were approved by either the Nominating and Corporate Governance Committee or the full Board.

## **REPORT OF THE AUDIT COMMITTEE**

The Board maintains an Audit Committee comprised of three of the Company's directors. The directors who serve on the Audit Committee are all "independent" for purposes of the New York Stock Exchange listing standards. The Audit Committee held seven (7) formal meetings and several informal meetings during the 2006 fiscal year.

In accordance with its written charter, the Audit Committee assists the Board with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- reviewed and discussed the audited financial statements with management and Grant Thornton, LLP, the Company's independent auditors, for the fiscal year ended December 31, 2006;
- discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards); and
- reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board's Standard No. 1 (Independence Discussions with Audit Committees), and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2006, as filed with the Securities and Exchange Commission.

The Audit Committee has a policy concerning the pre-approval of audit and non-audit services to be provided by the Company’s independent auditors. The policy requires that all services provided by the independent auditor to the Company, including audit services, audit-related services, tax services and other services, must be pre-approved by the Audit Committee. In some cases, pre-approval is provided by the full Audit Committee for up to a year, and relates to a particular category or group of services and is subject to a particular budget. In other cases, specific pre-approval is required. The Audit Committee approved all audit and non-audit related services provided to the Company by Grant Thornton LLP during the 2006 fiscal year.

The Audit Committee has considered and determined that the level of fees of Grant Thornton LLP for provision of services other than the audit services is compatible with maintaining the auditor’s independence.

Respectfully Submitted,  
Members of the Audit Committee:  
Clunet R. Lewis  
Robert H. Naftaly  
Ted J. Simon

**I. Purpose**

The Audit Committee is appointed by the Board of Directors (the “Board”) to assist the Board in fulfilling its oversight responsibilities. The Audit Committee’s primary duties and responsibilities include: (a) monitoring (1) the integrity of the financial statements of Sun Communities, Inc. (the “Company”), (2) the independent auditor’s qualifications and independence, (3) the performance of the Company’s internal audit function and independent auditors, (4) the compliance by the Company with legal and regulatory requirements; (b) preparing the report required to be included annually in the Company’s proxy statement as required by the rules of the Securities and Exchange Commission (the “SEC”); (c) providing an avenue of communication among the independent auditor, management and the Board; and (d) appointing, overseeing, evaluating and, if necessary, replacing the independent auditor.

**II. Committee Membership**

The Audit Committee shall consist of no fewer than three (3) members, each of whom shall be a member of the Board, and shall otherwise be independent. The members of the Audit Committee shall meet the independence and experience requirements of the New York Stock Exchange, Section 10A(m)(3) of the Securities Exchange Act of 1934 (the “Exchange Act”), the Sarbanes-Oxley Act of 2002 (the “SOX Act”), and the rules and regulations of the SEC, as may be interpreted by the Board in its business judgment. Each member of the Audit Committee must be financially literate and at least one member of the Audit Committee shall be determined by the Board to be an “audit committee financial expert” as defined by the SEC.

The members of the Audit Committee shall be elected by the Board and shall serve until their successors shall be duly elected and qualified or until their earlier resignation or removal. Audit Committee members may be removed by the Board at any time with or without cause. The Audit Committee shall meet as often as it determines, but not less frequently than once per fiscal quarter. The Audit Committee shall meet separately, periodically with the Company’s management, its Chief Financial Officer and controller, and with the Company’s independent auditor. Additionally, the Audit Committee may request that any officer or employee of the Company, the Company’s outside counsel, or the independent auditor attend a meeting of the Audit Committee, or meet with any members of, or consultants to, the Audit Committee. The Audit Committee shall report regularly to the Board.

**IV. Committee Authority and Responsibilities**

4. In discharging its oversight role, the Audit Committee has the power to conduct or to authorize investigations into any matter brought to its attention with full access to all books, records, facilities and personnel of the Company, including the independent auditor. The Audit Committee shall have the resources and authority appropriate to discharge its duties and responsibilities.
