**PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
To Be Held On July 28, 2010**

PROXIES AND SOLICITATIONS

This Proxy Statement is furnished to shareholders in connection with the solicitation of proxies by the Board of Directors (the "Board") of Sun Communities, Inc. ("we", "us", "our" or similar) to be used at the Annual Meeting of Shareholders (the "Annual Meeting") and at any adjournments. If received in time for the Annual Meeting, the shares represented by a valid proxy will be voted in accordance with the specifications, if any, contained in such executed proxy. If no instructions are given, proxies will be voted: (i) FOR election of the three (3) nominees for the Board; (ii) FOR the ratification of the appointment of Grant Thornton LLP as our independent registered accounting firm for 2010; and (iii) at the discretion of Gary A. Shiffman and Karen J. Dearing, the Board's designated representatives for the Annual Meeting, with respect to such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

Shareholders have a choice of voting over the Internet, by telephone or by using a traditional proxy card.

- To vote by Internet, go to www.proxyvote.com and follow the instructions there. You will need the 12 digit number included on your proxy card, voter instruction form or notice.
- To vote by telephone, shareholders should dial the phone number listed on their voter instruction form and follow the instructions. You will need the 12 digit number included on the voter instruction form or notice.
- If you received a notice and wish to vote by traditional proxy card, you can receive a full set of materials at no charge through one of the following methods:
 - (i) by internet: www.proxyvote.com;
 - (ii) by phone: (800) 579-1639; or
 - (iii) by email: sendmaterial@proxyvote.com (your email should contain the 12 digit number in the subject line included on the voter instruction form or notice).

If you complete your proxy via the internet or telephone or properly sign and return your proxy card, your shares will be voted as you direct. If you sign and return your proxy, but do not specify how you want your shares voted, your shares will be voted (i) FOR the election of the three (3) nominees for director to the Board; (ii) FOR the ratification of the appointment of Grant Thornton LLP as our independent registered accounting firm for 2010; and (iii) at the discretion of Gary A. Shiffman and Karen J. Dearing with respect to such other business as may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting. Proxies may be revoked by filing with our Secretary, any time prior to the time set for commencement of the Annual Meeting, a written notice of revocation bearing a later date than the proxy, or by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy).

In addition to the use of mails, proxies may be solicited by personal interview, telephone, facsimile or email or by our directors, officers and employees. Arrangements may also be made with brokerage houses or other custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of Common Stock held of record by such persons, and we may reimburse such persons for reasonable out-of-pocket expenses incurred in forwarding material. We anticipate that fees and expenses for the foregoing parties will not exceed \$1,000. The costs of all proxy solicitation will be borne by us.

Our executive offices are located at 27777 Franklin Road, Suite 200, Southfield, Michigan 48034.

TIME AND PLACE OF MEETING

The Annual Meeting will be held at 27777 Franklin Road, Suite 100, Southfield, MI 48034, on Wednesday, July 28, 2010, at 11:00 a.m., local time.

VOTING RIGHTS AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Only shareholders of record at the close of business on June 1, 2010 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting or at any adjournments. As of that date, we had 19,329,567 shares of Common Stock issued, outstanding and entitled to vote held by 275 holders of record. Shares cannot be voted at the Annual Meeting unless the holder is present in person or represented by proxy. Each share of Common Stock outstanding on the Record Date entitles the holder thereof to one vote upon each matter to be voted upon at the Annual Meeting.

If your shares are held in "street name," your brokerage firm, under certain circumstances, may vote your shares for you if you do not return your proxy. Brokerage firms have authority under the rules of the New York Stock Exchange ("NYSE") to vote customers' unvoted shares on some routine matters. The ratification of the appointment of Grant Thornton LLP (Proposal 2) is considered a routine matter. However, brokers are not allowed to exercise their voting discretion with respect to the election of directors or for the approval of matters which the NYSE determines to be "non-routine," without specific instructions from the beneficial owner. These non-voted shares are referred to as "broker non-votes." If your broker holds your common stock in "street name," your broker will vote your shares on "non-routine" proposals only if you provide instructions on how to vote by filling out the voter instruction form sent to you by your broker with this Proxy Statement. The election of directors (Proposal 1) is considered a "non-routine" matter. Your broker is not entitled to vote on the election of directors (Proposal 1) without instruction.

You are encouraged to provide voting instructions to your brokerage firm by returning a completed proxy. This ensures your shares will be voted at the meeting according to your instructions. You should receive directions from your brokerage firm about how to submit your proxy to them at the time you receive notice of this Proxy Statement.

The presence, in person or by proxy, of outstanding shares of Common Stock representing a majority of the total votes entitled to be cast is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Shares that reflect abstentions or broker non-votes will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting.

With respect to Proposal 1, the directors will be elected by the affirmative vote of a majority of the votes cast by the shares present in person or represented by proxy and entitled to vote at the Annual Meeting. A majority of the votes cast means that the number of votes cast "FOR" a candidate for director exceeds the number of votes cast "AGAINST" that candidate for director. As a result, abstentions will not be counted in determining which nominees received a majority of votes cast since abstentions do not represent votes cast for or against a candidate. Brokers are not empowered to vote on the election of directors without instruction from the beneficial owner of the shares and thus broker non-votes likely will result. Since broker non-votes are not considered votes cast for or against a candidate, they will not be counted in determining which nominees receive a majority of votes cast.

With respect to Proposal 2, ratification of the appointment of Grant Thornton as our independent registered accounting firm requires the affirmative vote of the holders of a majority of the shares of Common Stock present or represented and entitled to vote at the Annual Meeting. Abstentions shall be included in determining the number of shares present and entitled to vote on the proposal, thus having the effect of a vote against the proposal.

If there is not a quorum at the Annual Meeting, the shareholders entitled to vote at the Annual Meeting, whether present in person or represented by proxy, shall only have the power to adjourn the Annual Meeting until such time as there is a quorum. The Annual Meeting may be reconvened without notice to the shareholders, other than an announcement at the prior adjournment of the Annual Meeting, within 120 days after the Record Date, and a quorum must be present at such reconvened Annual Meeting.

The deadline for voting by telephone or electronically is 11:59 p.m., Eastern Time, on July 27, 2010. If you are a shareholder and attend the Annual Meeting, you may deliver your completed proxy card in person. Shareholders that hold their shares in "street name" who wish to vote at the Annual Meeting will need to obtain a proxy form from the institution that holds their shares.

If a proxy in the form enclosed is duly executed, dated and returned, and it has not been revoked in accordance with the instructions set forth therein, the shares of Common Stock represented thereby will be voted by Gary A. Shiffman and Karen J. Dearing, the Boards proxy agents for the Annual Meeting, in accordance with the specifications made thereon by the shareholder. If no such specifications are made, such proxy will be voted (i) FOR the election of the three (3) nominees for director to the Board; (ii) FOR the ratification of the appointment of Grant Thornton LLP as our independent registered accounting firm for 2010; and (iii) at the discretion of Gary A. Shiffman and Karen J. Dearing with respect to such other business as may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting.

Information concerning principal holders of Common Stock is discussed under "Security Ownership of Certain Beneficial Owners and Management."

ELECTRONIC AVAILABILITY OF PROXY STATEMENT AND ANNUAL REPORT

As permitted by Securities and Exchange Commission (the “SEC”) rules, we are making this Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2009, as filed with the SEC on March 11, 2010 (the “2009 Annual Report”), available to shareholders electronically via the Internet at www.proxyvote.com.

On or about June 18, 2010, we began mailing to our shareholders a notice containing instructions on how to access this Proxy Statement and 2009 Annual Report and how to vote your shares via the internet or by telephone. You will not receive a printed copy of the proxy materials or 2009 Annual Report unless you request it by following the instructions for requesting such materials contained on the notice (repeated in the section entitled “Proxies and Solicitations” above).

SHAREHOLDER PROPOSALS

Any and all shareholder proposals for inclusion in the proxy materials for our next Annual Meeting of Shareholders must comply with the rules and regulations promulgated under the Exchange Act, and must be received by us, at our offices at 27777 Franklin Road, Suite 200, Southfield, Michigan 48034, not earlier than March 31, 2011, and not later than 5:00 p.m., Eastern Time, on April 30, 2011. Such proposals should be addressed to our Secretary. See “Board of Directors and Corporate Governance – Consideration of Director Nominees.”

Our First Amended and Restated Bylaws (the “Bylaws”) also contain certain provisions which affect shareholder proposals. The Bylaws provide that: (i) with respect to an annual meeting of shareholders, nominations of individuals for election to the Board of Directors and the proposal of other business to be considered by the shareholders may be made only (a) pursuant to our notice of the meeting, (b) by or at the direction of the Board of Directors, or (c) by any shareholder who was a shareholder of record at the time of giving of notice provided for in the Bylaws and at the time of the annual meeting, is entitled to vote at the meeting and has complied with the advance notice procedures set forth in the Bylaws; and (ii) with respect to special meetings of shareholders, only the business specified in our notice of meeting may be brought before the meeting of shareholders, and nominations of persons for election to the Board of Directors may be made (a) pursuant to our notice of meeting, (b) by or at the direction of the Board of Directors or (c) provided that the Board of Directors has determined that directors shall be elected at such special meeting, by any shareholder who is a shareholder of record both at the time of giving of notice provided for in the Bylaws and at the time of the special meeting, is entitled to vote at the meeting and has complied with the advance notice provisions set forth in the Bylaws.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board of Directors and Committees

Pursuant to the terms our articles of incorporation, as amended, the Board is divided into three classes. The class up for election at the Annual Meeting will hold office for a term expiring at the annual meeting of shareholders to be held in 2013. A second class will hold office for a term expiring at the annual meeting of shareholders to be held in 2011 and a third class will hold office for a term expiring at the annual meeting of shareholders to be held in 2012. Each director will hold office for the term to which he or she is elected and until his or her successor is duly elected and qualified. Messrs. Clunet R. Lewis, Arthur A. Weiss and Ms. Stephanie W. Bergeron have terms expiring at the Annual Meeting and are nominees for the class to hold office for a term expiring at the annual meeting of shareholders to be held in 2013. Messrs. Ted J. Simon, Paul D. Lapidés and Robert H. Naftaly have terms expiring at the annual meeting of shareholders to be held in 2012 and Messrs. Ronald L. Piasecki and Gary A. Shiffman have terms expiring at the annual meeting of shareholders to be held in 2011. At each of our annual meeting of the shareholders, the successors to the class of directors whose terms expire at such meeting will be elected to hold office for a term expiring at the annual meeting of shareholders held in the third year following the year of their election.

The Board meets quarterly, or more often as necessary. The Board met four times during 2009 and took various actions pursuant to resolutions adopted by unanimous written consent. All directors attended at least 75% of the meetings of the Board and each committee on which they served. All directors attended the annual meeting of shareholders held on July 29, 2009.

Several important functions of the Board may be performed by committees that are comprised of members of the Board. Our Bylaws authorize the formation of these committees and grant the Board the authority to prescribe the functions of each committee and the standards for membership of each committee. In addition, the Board appoints the members of each committee. The Board has four standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, and an Executive Committee. You may find copies of the charters of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee under the “Investor Relations-Officers and Directors” section of our website at www.suncommunities.com. You may also find a copy of our corporate governance guidelines and its code of business ethics under the “Investor Relations-Officers and Directors” section of our website at www.suncommunities.com. All of the committee charters, our corporate governance guidelines and our code of business ethics are available in print to any shareholder who requests them.

The Audit Committee operates pursuant to a third amended and restated charter that was approved by the Board in December 2007. It is available under the “Investor Relations-Officers and Directors” section of our website at www.suncommunities.com. The Audit Committee, among other functions, (i) has the sole authority to appoint, retain, terminate and determine the compensation of our independent accountants, (ii) reviews with our independent accountants the scope and results of the audit engagement, (iii) approves professional services provided by our independent accountants, (iv) reviews the independence of our independent accountants, and (v) directs and controls our internal audit functions. The current members of the Audit Committee are Messrs. Robert H. Naftaly, Clunet R. Lewis (Chairman) and Ms. Stephanie W. Bergeron, all of whom are “independent” as that term is defined in the rules of the SEC and applicable rules of the NYSE. The Audit Committee held four formal meetings and several informal meetings during the fiscal year ended December 31, 2009. The Board has determined that each member of the Audit Committee is an “audit committee financial expert,” as defined by SEC rules. See “Report of the Audit Committee.”

The Compensation Committee operates pursuant to a charter that was approved by the Board in March 2004. A copy of the Compensation Committee Charter is available under the “Investor Relations-Officers and Directors” section of our website at www.suncommunities.com. The Compensation Committee, among other functions, (i) reviews and approves corporate goals and objectives relevant to the compensation of the Chief Executive Officer and such other executive officers as may be designated by the Chief Executive Officer, evaluates the performance of such officers in light of such goals and objectives, and determines and approves the compensation of such officers based on these evaluations, (ii) approves the compensation of our other executive officers, (iii) recommends to the Board for approval the compensation of the non-employee directors and (iv) oversees our incentive-compensation plans and equity-based plans. The current members of the Compensation Committee are Messrs. Robert H. Naftaly (Chairman), Clunet R. Lewis and Paul D. Lapidès, all of whom are independent directors under the NYSE rules. During the fiscal year ended December 31, 2009, the Compensation Committee held seven formal meetings and took various actions pursuant to resolutions adopted by unanimous written consent. See “Report of the Compensation Committee on Executive Compensation.”

The Nominating and Corporate Governance Committee (the “NCG Committee”) operates pursuant to a charter that was approved by the Board in March 2004. A copy of the NCG Committee Charter is available under the “Investor Relations-Officers and Directors” section of our website at www.suncommunities.com. The NCG Committee, among other functions, is responsible for (i) identifying individuals qualified to become Board members, consistent with criteria approved by the Board, (ii) recommending that the Board select the committee-recommended nominees for election at each annual meeting of shareholders, (iii) developing and recommending to the Board a set of corporate governance guidelines applicable to us, and (iv) periodically reviewing such guidelines and recommending any changes, and overseeing the evaluation of the Board. The current members of the NCG Committee are Messrs. Ted J. Simon (Chairman), Clunet R. Lewis and Ronald L. Piasecki, all of whom are independent under the NYSE rules. The NCG Committee held one formal meeting during the fiscal year ended December 31, 2009. The NCG Committee considers diversity and skills in identifying nominees for service on our Board. Regarding diversity, the NCG Committee considers the entirety of the board and a wide range of economic, social and ethnic backgrounds and does not nominate representational directors from any specific group.

The Executive Committee was established to generally manage our day-to-day business and affairs between regular Board meetings. In no event may the Executive Committee, without the prior approval of the Board acting as a whole: (i) recommend to the shareholders an amendment to our Charter; (ii) amend our Bylaws; (iii) adopt an agreement of merger or consolidation; (iv) recommend to the shareholders the sale, lease or exchange of all or substantially all of our property and assets; (v) recommend to the shareholders our dissolution or a revocation of a dissolution; (vi) fill vacancies on the Board; (vii) fix compensation of the directors for serving on the Board or on a committee of the Board; (viii) declare dividends or authorize the issuance of our stock; (ix) approve or take any action with respect to any related party transaction involving us; or (x) take any other action which is forbidden by our Bylaws. All actions taken by the Executive Committee must be promptly reported to the Board as a whole and are subject to ratification, revision and alteration by the Board, except that no rights of third persons created in reliance on authorized acts of the Executive Committee can be affected by any such revision or alteration. The current members of the Executive Committee are Messrs. Gary A. Shiffman and Ted J. Simon. The Executive Committee did not hold any formal meetings during the fiscal year ended December 31, 2009 but took various actions pursuant to resolutions adopted by unanimous written consent.

The Board oversees and implements its risk management function several different ways. Specifically, the Audit Committee discusses our risk assessment and risk management policies with the Chief Financial Officer and other accounting staff, our internal auditor and our independent accountants on a quarterly basis in conjunction with its review of our quarterly and annual financial statements. In addition, the Board discusses the general risks facing us, the risk factors disclosed in our annual and period reports and our risk management policies with our executive management team from time to time throughout the year. In the event that a specific risk is identified, the Board or the Audit Committee directs management to assess, evaluate and provide remedial recommendations to the Board, or the Audit Committee, with respect to such risk which may include suggested public disclosure.

We recommend that all correspondence be sent via certified U.S. mail, return receipt requested. All correspondence received by the Compliance Officer will be forwarded by the Compliance Officer promptly to the addressee(s).

Independence of Non-Employee Directors

The NYSE rules require that a majority of the Board consist of members who are independent. There are different measures of director independence—independence under NYSE rules, under Section 16 of the Exchange Act and under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”). The Board has reviewed information about each of our non-employee directors and determined that Messrs. Paul D. Lapidès, Clunet R. Lewis, Robert H. Naftaly, Ronald L. Piasecki, Ted J. Simon and Ms. Stephanie W. Bergeron are independent directors. The independent directors meet on a regular basis in executive sessions without management participation. In 2009, the executive sessions occurred after some of the regularly scheduled meetings of the entire Board and may occur at such other times as the independent directors deem appropriate or necessary. The Board appoints a lead director on an annual basis to serve for a term of one year. Clunet R. Lewis is currently serving as lead director. The lead director calls and presides at the executive sessions of our independent directors, acts as a liaison between our management team and the Board and is responsible for identifying, analyzing and making recommendations to the Board with respect to certain strategic and extraordinary matters.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee has been or will be one of our officers or employees. We do not have any interlocking relationships between our executive officers and the Compensation Committee and the executive officers and compensation committees of any other entities, nor has any such interlocking relationship existed in the past.

Consideration of Director Nominees

Board Membership Criteria

The Board of Directors has established criteria for Board membership. These criteria include the following specific, minimum qualifications that the NCG Committee believes must be met by an NCG Committee-recommended nominee for a position on the Board:

- The candidate must have experience at a strategic or policymaking level in a business, government, non-profit or academic organization of high standing;
- The candidate must be highly accomplished in his or her field, with superior credentials and recognition;
- The candidate must be well regarded in the community and must have a long-term reputation for high ethical and moral standards;
- The candidate must have sufficient time and availability to devote to our affairs, particularly in light of the number of boards on which the nominee may serve; and
- The candidate’s principal business or occupation must not be such as to place the candidate in competition with us or conflict with the discharge of a director’s responsibilities to us or to our shareholders.

In addition to the minimum qualifications for each nominee set forth above, the NCG Committee will recommend director candidates to the full Board for nomination, or present director candidates to the full Board for consideration, to help ensure that:

- A majority of the Board of Directors shall be “independent” as defined by the NYSE rules;
- Each of its Audit, Compensation and NCG Committees shall be comprised entirely of independent directors; and
- At least one member of the Audit Committee shall have such experience, education and qualifications necessary to qualify as an “audit committee financial expert” as defined by the rules of the SEC.

Consideration of Shareholder Nominated Directors

The NCG Committee’s current policy is to review and consider any director candidates who have been recommended by shareholders in compliance with the procedures established from time to time by the NCG Committee. All shareholder recommendations for director candidates must be submitted in writing to our Secretary at Sun Communities, Inc., 27777 Franklin Road, Suite 200, Southfield, MI 48034, who will forward all recommendations to the NCG Committee. All shareholder recommendations for director candidates for election at the 2011 annual meeting of shareholders must be submitted to our Secretary not earlier than the 120th day and not later than the 90th day prior to the first anniversary of the 2010 annual meeting provided, however, that if the 2011 annual meeting is more than 30 days earlier or later than the first anniversary of the 2010 annual meeting, notice by the shareholder must be delivered not earlier than the 120th day and not later than the 90th day prior to the date of the 2011 annual meeting or, if the first public announcement of the date of the 2011 annual meeting is less than 100 days prior to the date of the 2011 annual meeting, the tenth day following the day on which public announcement of the date of the 2011 annual meeting is first made by us. All shareholder recommendations for director candidates must include the following information:

- The shareholder’s name, address, number of shares owned, length of period held and proof of ownership;
- The name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five full fiscal years of the proposed director candidate;
- A description of the qualifications and background of the proposed director candidate which addresses the minimum qualifications and other criteria for Board membership as approved by the Board from time to time;
- A description of all arrangements or understandings between the shareholder and the proposed director candidate;
- The consent of the proposed director candidate (1) to be named in the proxy statement relating to our annual meeting of shareholders and (2) to serve as a director if elected at such annual meeting; and
- Any other information regarding the proposed director candidate that is required to be included in a proxy statement filed pursuant to the rules of the SEC.

Identifying and Evaluating Nominees

The NCG Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, executive officers, third-party search firms or any other source it deems appropriate. The NCG Committee will review and evaluate the qualifications of any proposed director candidate that it is considering or has been recommended to it by a shareholder in compliance with the NCG Committee’s procedures for that purpose, and conduct inquiries it deems appropriate into the background of these proposed director candidates. When nominating a sitting director for re-election, the NCG Committee will consider the director’s performance on the Board and the director’s qualifications in respect to the criteria set forth above. Other than circumstances in which we are legally required by contract or otherwise to provide third parties with the ability to nominate directors, the NCG Committee will evaluate all proposed director candidates based on the same criteria and in substantially the same manner, with no regard to the source of the initial recommendation of the proposed director candidate.

ELECTION OF DIRECTORS

(Proposal 1)

The first matter to be considered at the Annual Meeting will be the election of three (3) directors. Following the recommendation of the NCG Committee, the Board of Directors has nominated Messrs. Clunet R. Lewis, Arthur A. Weiss and Ms. Stephanie W. Bergeron to serve as directors. Each director elected at the Annual Meeting will serve for a term commencing on the date of the Annual Meeting and continuing until the Annual Meeting of Shareholders to be held in 2013 or until his or her successor is duly elected and qualified. In the absence of directions to the contrary, proxies will be voted in favor of the election of the three (3) nominees listed below.

If any of the nominees named below are unavailable to serve for any reason, then a valid proxy may be voted for the election of such other persons as the person or persons voting the proxy may deem advisable in accordance with their best judgment. Management has no present knowledge that any of the persons named will be unavailable to serve. In any event, a proxy may be voted for only the three (3) nominees named in this Proxy Statement or their substitutes.

Vote Required

With respect to Proposal 1, the directors will be elected by the affirmative vote of a majority of the votes cast by the shares present in person or represented by proxy and entitled to vote at the Annual Meeting. A majority of the votes cast means that the number of votes cast "FOR" a candidate for director exceeds the number of votes cast "AGAINST" that candidate for director. As a result, abstentions will not be counted in determining which nominees received a majority of votes cast since abstentions do not represent votes cast for or against a candidate. Brokers are not empowered to vote on the election of directors without instruction from the beneficial owner of the shares and thus broker non-votes likely will result. Since broker non-votes are not considered votes cast for or against a candidate, they will not be counted in determining which nominees receive a majority of votes cast.

Recommendation

THE BOARD RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES NAMED BELOW. PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" THE NOMINEES UNLESS INSTRUCTIONS TO WITHHOLD OR TO THE CONTRARY ARE GIVEN.

The following list identifies each incumbent director and nominee for election to the Board at the Annual Meeting and describes each person's principal occupation for the past five years. Each of the directors has served continuously from the date of his or her election to the present time.

RATIFICATION OF APPOINTMENT OF GRANT THORNTON LLP (Proposal 2)

The final matter to be considered at the Annual Meeting will be the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm. The Audit Committee has selected and appointed Grant Thornton LLP as our independent registered public accounting firm to audit its consolidated financial statements for the year ending December 31, 2010. Grant Thornton LLP has audited our consolidated financial statements since 2003. Although ratification by shareholders is not required by law or by our bylaws, the Audit Committee believes that submission of its selection to shareholders is a matter of good corporate governance. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time if the Audit Committee believes that such a change would be in our best interests and our shareholders. If our shareholders do not ratify the appointment of Grant Thornton, the Audit Committee will take that fact into consideration, together with such other factors it deems relevant, in determining its next selection of independent auditors.

It is anticipated that a representative of Grant Thornton will attend the Annual Meeting, will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

All Other Fees	\$ -	\$ -

Auditor Fees Policy

The Audit Committee has a policy concerning the pre-approval of audit and non-audit services to be provided by our independent auditors. The policy requires that all services provided by the independent auditors to us, including audit services, audit-related services, tax services and other services, must be pre-approved by the Audit Committee. In some cases, pre-approval is provided by the full Audit Committee for up to a year, and relates to a particular category or group of services and is subject to a particular budget. In other cases, specific pre-approval is required. The Audit Committee approved all audit and non-audit related services provided to us by Grant Thornton during the 2009 fiscal year.

Vote Required

The affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the meeting and entitled to vote on this proposal is required for the ratification of the appointment of Grant Thornton. Abstentions shall be included in determining the number of shares present and entitled to vote on the proposal, thus having the effect of a vote against the proposal. In the absence of your voting instructions, your bank, broker or other nominee may vote your shares in its discretion.

Recommendation

THE BOARD RECOMMENDS A VOTE "FOR" THIS PROPOSAL. PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" THIS PROPOSAL UNLESS INSTRUCTIONS TO WITHHOLD OR TO THE CONTRARY ARE GIVEN.

OTHER MATTERS

As of the date of this Proxy Statement, we know of no business that will be presented for consideration at the Annual Meeting other than the items referred to above. If any other matter is properly brought before the meeting for action by shareholders, proxies returned to us will be voted in accordance with the recommendation of the Board or, in the absence of such a recommendation, in accordance with the best judgment of the proxy holder.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Committee Composition and Charter

The Compensation Committee assists the Board in fulfilling its responsibilities for determining the compensation offered to our executive officers. The Compensation Committee, among other functions:

- consults with executive management in developing a compensation philosophy;
- evaluates and approves compensation for the our Chief Executive Officer and other executive officers; and
- oversees and administers our cash and equity incentive plans.

The Compensation Committee has the authority to retain and terminate independent, third-party compensation consultants and to obtain independent advice and assistance from internal and external legal, accounting and other advisors. The Compensation Committee has not utilized the services of a compensation consulting in crafting its compensation policies. Each member of the Compensation Committee is independent under NYSE rules. A copy of the Compensation Committee Charter is available under the "Investor Relations-Officers and Directors" section of our website at www.suncommunities.com.

Compensation Philosophy and Objectives

The goals and objectives of our executive compensation program are to attract and retain a skilled executive team to manage, lead and direct our personnel and capital to obtain the best possible economic results.

The executive compensation program supports our commitment to providing superior shareholder value. This program is designed to:

- attract, retain and reward executives who have the motivation, experience and skills necessary to lead us effectively and encourage them to make career commitments to us;
- base executive compensation levels on our overall financial and operational performance and the individual contribution of an executive officer to our success;
- create a link between the performance of our stock and executive compensation; and
- position executive compensation levels to be competitive with other similarly situated public companies including the real estate industry in general and manufactured housing real estate investment trusts ("REIT") in particular.

Annual salary and bonuses are intended to be competitive in the marketplace to attract and retain executives. Stock options and restricted stock awards are intended to provide longer-term motivation which has the effect of linking stock price performance to executive compensation. Restricted stock is also intended to provide post-retirement financial security in lieu of other forms of more costly supplemental retirement programs. We have not implemented any policies related to stock ownership guidelines for its executive management or for members of the Board.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all decisions regarding the compensation of executive officers, including cash-based and equity-based incentive compensation programs. The Compensation Committee reviews the performance, and determines the bonus compensation, of the Chief Executive Officer. The Compensation Committee and the Chief Executive Officer annually review the performance of the other executive officers. The conclusions reached and recommendations based on the reviews of the other executive officers, including with respect to bonuses and annual award amounts, are presented by the Chief Executive Officer to the Compensation Committee, which can exercise its discretion in modifying any recommended bonuses or awards.

Compensation Components and Processes

In order to implement our executive compensation philosophy, the Compensation Committee exercises its independent discretion in reviewing and approving the executive compensation program as a whole, as well as specific compensation levels for each executive officer. Final aggregate compensation determinations for each fiscal year are generally made after the end of the fiscal year, after financial statements for such year become available. At that time, the Compensation Committee determines bonuses, if any, for the past year's performance, sets base salaries for those executive officers that are not bound by employment agreements for the following fiscal year and makes awards of equity-based compensation, if any. In addition, the Compensation Committee bases its decisions on the most recent publicly available compensation data for senior executive officers of comparable REITs, as well as various compensation studies and surveys, to ensure that compensation packages are in line with our peer group and the real estate industry in general. While comparative market data is a valuable tool to assist the Compensation Committee in setting reasonable and fair compensation for our executive officers, the stated philosophy of our executive compensation program is to recognize individual contributions to our performance and to create a link between our financial performance and executive compensation.

The key components of executive officer compensation are salary, bonuses, restricted stock awards and stock option grants. Salary is generally based on factors such as an individual officer's level of responsibility, prior years' compensation, comparison to compensation of other officers, and compensation provided at competitive companies and companies of similar size. Cash bonuses, restricted stock awards and stock option awards are intended to reward exceptional performance by the individual executive officer and us. Benchmarks for determining bonus levels include individual performance, our performance against budget and growth in Funds from Operation ("FFO") and Net Operating Income ("NOI"), in each case as measured against targets established by the Compensation Committee. A definition of FFO and NOI is included in the "Results of Operations" in Item 7 of our 2009 Annual Report. The Compensation Committee, in its sole discretion, may make adjustments to the NAREIT definition of FFO in determining FFO performance targets and achievement.

Stock options grants that were outstanding as of December 31, 2009 were awarded in 2001. Stock option grants are valued on the date of grant. Stock option grants vest ratably over three years from the date of grant and expire on the tenth anniversary of the date of grant. As stock options can be fully exercised after three years, they represent a medium-term incentive, the value of which is directly aligned with the achievement of enhanced value for shareholders. Stock options are issued at the market price of the stock on the date of grant except that the options issued in 2001 were granted at 85% of the market price. This differential has been amortized as expense. All of the unexercised options issued to executives in prior years are currently "out of the money" due to the current market value of our stock as of December 31, 2009. In addition, options to acquire 25,000 shares of common stock awarded to the named executive officers in 1999 expired unexercised in December 2009.

Restricted stock awards that were outstanding as of December 31, 2009 were awarded in 1998, 2001, 2002, 2004, 2008 and 2009. Restricted stock awards generally begin to vest after three to four years from the date of grant and then vest over the following six to nine years, although the restricted stock awards issued in 2009 vest in three equal installments on the fourth, fifth and sixth anniversary of the date of grant. Our executive officers (as well as our employees that receive restricted stock awards) receive dividends on the restricted stock awards that have been granted to date, including restricted stock awards that have not vested. We believe that restricted stock awards represent a long-term incentive to key executives to remain committed to us and our objectives. Restricted stock awards encourage the development of a longer term view and strategy for the growth and success of our business along with providing motivation for a long term commitment to us by our executives.

Under the terms of his employment agreement with us, Mr. Shiffman is entitled to receive a bonus of up to 75% of his base salary, in the sole discretion of the Compensation Committee, if certain annual individual and Company performance criteria, as established by the Compensation Committee, are met and up to 25% of his base salary at the sole discretion of the Compensation Committee.

For 2009, Ms. Dearing is entitled to receive a bonus of up to 75% of her base salary, subject to the discretion of the Compensation Committee, if certain annual individual and Company performance criteria, as established by the Compensation Committee, are met and up to 25% of her base salary at the sole discretion of the Compensation Committee. For all other years, Ms. Dearing is entitled, under the terms of her employment agreement, to receive a bonus of up to 50% of her base salary, subject to the discretion of the Compensation Committee, if certain annual individual and/or Company performance criteria, as established by the Compensation Committee, are met and up to 50% of her base salary at the sole discretion of the Compensation Committee.

Under the terms of his employment agreement with us, Mr. McLaren is entitled to receive a bonus of up to 50% of his base salary, subject to the discretion of the Compensation Committee, if certain annual individual and/or Company performance criteria, as established by the Compensation Committee, are met and up to 50% of his base salary at the sole discretion of the Compensation Committee.

In the case of Mr. Colman, who does not have an employment agreement with us, an annual bonus may be awarded up to 50% of his base salary if certain annual individual and Company performance criteria are met, as established by the Chief Executive Officer and approved by the Compensation Committee, and up to 50% of his base salary at the sole discretion of the Compensation Committee.

After review of the individual performance of each named executive officer in relation to the agreed upon individual and Company performance objectives, the achievement of the three to five percent growth goal in relation to Adjusted FFO⁽¹⁾, our performance in relation to budgeted revenue producing site and net operating income targets and our overall performance during the year and in relation to the manufactured housing industry in general, the Compensation Committee determined that certain individual and/or our performance objectives were met and that the efforts of the named executive officers were substantial in relation to the achievement of our results. Based on such analysis, the Compensation Committee awarded the following bonuses:

	Percentage of Base Salary Awarded for Achievement of Individual and/or Corporate Performance Objectives	Discretionary Percentage of Base Salary Awarded	Bonus
Gary A. Shiffman	55.0%	1.8%	\$ 340,000
Karen J. Dearing	55.0%	9.9%	\$ 172,000
John B. McLaren	4.6%	49.9%	\$ 147,500
Jonathan M. Colman	0.0%	25.7%	\$ 47,000

⁽¹⁾ Adjusted FFO was determined by excluding the effect of certain equity losses and impairment charges related to our investments in equity affiliates, and certain other non-recurring or unusual charges as determined in the sole discretion of the Compensation Committee.

In July 2009, equity incentive awards of 60,000 shares were granted to Mr. Shiffman and 10,000 shares each were granted to Ms. Dearing and Mr. McLaren under our Equity Incentive Plan, which was approved by shareholders on July 29, 2009. One third of the shares granted to each of the recipients vests on each of July 29, 2013, 2014 and 2015.

Tax and Accounting Implications

Deductibility of Executive Compensation.

Section 162(m) of the Code limits the deductibility on our tax return of compensation over \$1.0 million to any of our named executive officers. However, compensation that is paid pursuant to a plan that is performance-related, non-discretionary and has been approved by our shareholders is not subject to section 162(m). We have such a plan and may utilize it to mitigate the potential impact of section 162(m). We did not pay any compensation during 2009 that would be subject to section 162(m). We believe that, because we qualify as a REIT under the Code and therefore are not subject to federal income taxes on its income to the extent distributed, the payment of compensation that does not satisfy the requirements of section 162(m) will not generally affect our net income. However, to the extent that compensation does not qualify for deduction under section 162(m) or under short term incentive plans approved by shareholders to, among other things, mitigate the effects of section 162(m), a larger portion of shareholder distributions may be subject to federal income taxation as dividend income rather than return of capital. We do not believe that section 162(m) will materially affect the taxability of shareholder distributions, although no assurance can be given in this regard due to the variety of factors that affect the tax position of each shareholder. For these reasons, the Compensation Committee's compensation policy and practices are not directly governed by section 162(m).

409A Considerations.

We have also taken into consideration Code Section 409A in the design and implementation of our compensation programs. If an executive is entitled to nonqualified deferred compensation benefits that are subject to Section 409A, and such benefits do not comply with Section 409A, then the benefits are taxable in the first year they are not subject to a substantial risk of forfeiture. In such case, the executive is subject to regular federal income tax, interest and an additional federal income tax of 20% of the benefit includible in income.

Change in Control and Severance Payments

Messrs. Shiffman and McLaren and Ms. Dearing have contractual arrangements with us providing for severance and change in control payments. If any such executive is terminated without "cause," he or she is entitled to any accrued but unpaid salary, incentive compensation and benefits through the date of termination and a continuation of salary for up to eighteen months after termination in the case of Mr. Shiffman and up to twelve months in the case of Ms. Dearing and Mr. McLaren, subject to the execution of a general release and continued compliance with his or her restrictive covenant. Upon a change of control and if Messrs. Shiffman or McLaren or Ms. Dearing are terminated within two years of the date of such change of control or less than two years remain under the term of their employment agreements, then each of them would receive 2.99 times their annual salary and a continuation of health and insurance benefits for one year. Under any of the foregoing events of termination or change of control, all stock options and other stock based compensation awarded to the executive shall become fully vested and immediately exercisable.

REPORT OF THE AUDIT COMMITTEE

The Board maintains an Audit Committee comprised of three of our directors. The directors who serve on the Audit Committee are all “independent” for purposes of the NYSE listing standards. The Audit Committee held four formal meetings and several informal meetings during the 2009 fiscal year.

In accordance with its written charter, the Audit Committee assists the Board with fulfilling its oversight responsibility regarding quality and integrity of our accounting, auditing and financial reporting practices. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- reviewed and discussed the audited financial statements with management and Grant Thornton, LLP, our independent auditors, for the fiscal year ended December 31, 2009;
- discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards); and
- reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board’s Standard No. 1 (Independence Discussions with Audit Committees), and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009 be filed with the SEC.

The Audit Committee has considered and determined that the level of fees of Grant Thornton LLP for provision of services other than the audit services is compatible with maintaining the auditor’s independence.

Respectfully Submitted,
Members of the Audit Committee:
Clunet R. Lewis
Robert H. Naftaly
Stephanie W. Bergeron

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Relationship with Equity Affiliates

We have entered into the following transactions with Origen Financial Services, LLC (the “LLC”):

- *Investment in LLC.* We entered into an agreement with four unrelated companies (“Members”) and contributed cash of approximately \$0.5 million towards the formation of a limited liability company. The LLC purchased the origination platform of Origen. The purpose of the venture is to originate manufactured housing installment contracts for its Members. We account for our investment in the LLC using the equity method of accounting. As of December 31, 2009, we had an ownership interest in the LLC of 25 percent, and the carrying value of our investment was zero.
- *Loan Origination, Sale and Purchase Agreement.* The LLC had agreed to fund loans that meet our underwriting guidelines and then transfer those loans to us pursuant to a Loan Origination, Sale and Purchase Agreement. We paid the LLC a weighted average fee of approximately \$620 per loan pursuant to a Loan Origination, Sale and Purchase Agreement which totaled approximately \$0.1 million during the year ended December 31, 2009. We purchased, at par, \$6.9 million of these loans during the year ended December 31, 2009.

We have entered into the following transactions with Origen:

- *Capital Investment in Origen:* In the 2003 recapitalization of Origen, we purchased 5,000,000 shares of Origen common stock for \$50.0 million and Shiffman Origen LLC (which is owned by the Milton M. Shiffman Spouse’s Marital Trust, Gary A. Shiffman (our Chairman and Chief Executive Officer), and members of Mr. Shiffman’s family) purchased 1,025,000 shares of Origen common stock for approximately \$10.3 million. As of December 31, 2009 we had an ownership interest in Origen of approximately 19 percent, and the carrying value of our investment was \$1.6 million.
- *Board Membership.* Gary A. Shiffman, our Chairman and Chief Executive Officer is a board member of Origen.

Lease of Principal Executive Offices

Gary A. Shiffman, together with certain family members, indirectly owns a 21 percent equity interest in American Center LLC, the entity from which we lease office space for our principal executive offices. Arthur A. Weiss owns a 0.75 percent indirect interest in American Center LLC. This lease was for an initial term of five years, beginning May 1, 2003, with the right to extend the lease for an additional five year term. In December 2007, we exercised our option to extend the lease for our executive offices. The extension was for a period of five years commencing on May 1, 2008. In August 2008, we modified the lease agreement to add approximately 5,300 additional square feet for a total of approximately 36,700 rentable square feet, and to extend the term of the lease until August 31, 2015, with an option to renew for an additional five years. The annual base rent under the current lease is \$18.81 per square foot (gross) and will remain this amount through August 31, 2015. Mr. Shiffman and Mr. Weiss may have a conflict of interest with respect to their obligations as one of our officers and/or directors and their ownership interest in American Center LLC.

Loans to Chief Executive Officer

In 1995, we issued Gary A. Shiffman, our Chief Executive Officer and President, 272,206 shares of common stock and 127,794 OP units for \$8,650,000 (the “Purchase Price”). The Purchase Price is evidenced by three separate 10-year promissory notes that bear interest at a rate equal to six months’ LIBOR plus 175 basis points, with a maximum interest rate of 9% per annum and a minimum interest rate of 6% per annum (the “Promissory Notes”). Two of the Promissory Notes with an initial aggregate principal amount of approximately \$7.6 million were secured by the shares common stock (the “Secured Shares”) and OP units (the “Secured Units”) held by Mr. Shiffman and the last Promissory Note with an initial principal amount of approximately \$1.0 million is unsecured but fully recourse to Mr. Shiffman. Mr. Shiffman’s personal liability on the secured Promissory Notes is limited to all accrued interest on such notes plus 50% of the deficiency, if any, after application of the proceeds from the sale of the Secured Shares and/or the Secured Units to the then outstanding principal balance of the Promissory Notes. The Promissory Notes provide for quarterly interest only payments and provide that all cash distributions and dividends paid to Mr. Shiffman on the Secured Shares and the Secured Units (the “Distributions”) will first be applied toward the accrued and unpaid interest under the Promissory Notes and 60% of the remainder of the Distributions, if any, will be applied toward the outstanding principal balance of the Promissory Notes.

In April 1997, we loaned Mr. Shiffman an additional \$2,600,391 on terms substantially identical to the terms of the other loan to Mr. Shiffman, as described above, and such loan was secured by 80,000 shares of our common stock held by Mr. Shiffman (the promissory notes evidencing this loan, together with the Promissory Notes, are hereinafter referred to as the “Shiffman Notes”).

On July 15, 2002, the due date of the Shiffman Notes was extended such that one-third of the then outstanding principal balance became due on each of December 31, 2008, and December 31, 2009 and the balance of the Shiffman Notes becomes due on December 31, 2010.

The largest aggregate indebtedness outstanding under the Shiffman Notes since January 1, 2009 was approximately \$8.3 million. As of March 1, 2010, the amount outstanding under the Shiffman Notes was approximately \$3.2 million. The indebtedness is secured by 100,704 common shares and 36,539 OP units.

Legal Counsel

During 2009, JRH&W acted as our general counsel and represented us in various matters. Arthur A. Weiss, one of our directors, is the Chairman of the Board of Directors and a shareholder of such firm. We incurred legal fees and expenses of approximately \$1.1 million in 2009 in connection with services rendered by JRH&W.

Tax Consequences Upon Sale of Properties

Gary A. Shiffman holds limited partnership interests in the Operating Partnership which were received in connection with the contribution of 24 properties (four of which have been sold) from partnerships previously affiliated with him (the "Sun Partnerships"). Prior to any redemption of these limited partnership interests for our common stock, Mr. Shiffman will have tax consequences different from those of us and our public shareholders on the sale of any of the Sun Partnerships. Therefore, we have different objectives than Mr. Shiffman regarding the appropriate pricing and timing of any sale of those properties.

Policies and Procedures for Approval of Related Party Transactions

None of our executive officers or directors (or any family member or affiliate of such executive officer or director) may enter into any transaction or arrangement with us that reasonably could be expected to give rise to a conflict of interest without the prior approval of the NCG Committee. Any such transaction or arrangement must be promptly reported to the NCG Committee or the full Board. Any such disclosure provided by an executive officer or director is reviewed by the NCG Committee and approved or disapproved. In determining whether to approve such a transaction or arrangement, the NCG Committee takes into account, among other factors, whether the transaction was on terms no less favorable to us than terms generally available to third parties and the extent of the executive officer's or director's involvement in such transaction or arrangement.

The current policy was adopted and approved in 2004. All related party transactions disclosed above were approved by either NCG Committee or the full Board.
