**PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
To Be Held On July 18, 2008**

PROXIES AND SOLICITATIONS

This Proxy Statement is furnished to shareholders in connection with the solicitation of proxies by the Board of Directors (the "Board") of Sun Communities, Inc. ("Sun" or the "Company") to be used at the Annual Meeting of Shareholders (the "Annual Meeting") and at any adjournments. If received in time for the Annual Meeting, the shares represented by a valid proxy will be voted in accordance with the specifications, if any, contained in such executed proxy. If no instructions are given, proxies will be voted: (a) FOR election of the two nominees for the Board; (b) FOR the ratification of the appointment of Grant Thornton LLP as the Company's independent registered accounting firm for 2008; and (c) at the discretion of Clunet R. Lewis and Karen J. Dearing, the Board's designated representatives for the Annual Meeting, with respect to such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof. A proxy executed in the enclosed form may be revoked by the person signing it at any time before it is exercised. Proxies may be revoked by filing with the Secretary of the Company, any time prior to the time set for commencement of the Annual Meeting, a written notice of revocation bearing a later date than the proxy, or by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy).

In addition to the use of mails, proxies may be solicited by personal interview, telephone and telegram, by directors, officers and employees of the Company. Arrangements may also be made with brokerage houses or other custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of shares of the Company's common stock (the "Common Stock") held of record by such persons, and the Company may reimburse such persons for reasonable out-of-pocket expenses incurred in forwarding material. The Company anticipates that fees and expenses for the foregoing parties will not exceed \$1,000. The costs of all proxy solicitation will be borne by the Company.

The executive offices of the Company are located at 27777 Franklin Road, Suite 200, Southfield, Michigan 48034. The approximate date of mailing of this Proxy Statement and the enclosed proxy materials to the Company's shareholders is May 5 2008.

TIME AND PLACE OF MEETING

The Annual Meeting will be held at the Hilton Garden Inn, 26000 American Drive, Southfield, MI 48034, on Friday, July 18, 2008, at 11:00 a.m., local time.

**VOTING RIGHTS AND
PRINCIPAL HOLDERS OF VOTING SECURITIES**

Only shareholders of record at the close of business on April 24, 2008 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting or at any adjournments. As of that date, the Company had [18,416,710] shares of Common Stock issued, outstanding and entitled to vote held by [306] holders of record. Shares cannot be voted at the Annual Meeting unless the holder is present in person or represented by proxy. Each share of Common Stock outstanding on the Record Date entitles the holder thereof to one vote upon each matter to be voted upon at the Annual Meeting.

If your shares are held in "street name," your brokerage firm, under certain circumstances, may vote your shares for you if you do not return your proxy. Brokerage firms have authority under the rules of the New York Stock Exchange to vote customers' unvoted shares on some routine matters. If you do not give a proxy to your brokerage firm to vote your shares, your brokerage firm may either vote your shares on routine matters or leave your shares unvoted. The election of directors (Proposal 1) and the ratification of the appointment of Grant Thornton LLP (Proposal 2) are considered routine matters. You are encouraged to provide voting instructions to your brokerage firm by returning your completed proxy. This ensures your shares will be voted at the meeting according to your instructions. You should receive directions from your brokerage firm about how to submit your proxy to them at the time you receive this proxy statement.

The presence, in person or by proxy, of outstanding shares of Common Stock representing a majority of the total votes entitled to be cast is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Shares that reflect abstentions or broker non-votes will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting.

With respect to Proposal 1, the directors will be elected by a plurality of all votes cast at the Annual Meeting. Accordingly, abstentions will have no effect on the results of the vote. With respect to Proposal 2, ratification of the appointment of Grant Thornton as the company's independent registered accounting firm requires the approval of the holders of a majority of the shares of Common Stock present or represented and entitled to vote at the Annual Meeting. Abstentions shall be included in determining the number of shares present and entitled to vote on the proposal, thus having the effect of a vote against the proposal.

If there is not a quorum at the Annual Meeting, the shareholders entitled to vote at the Annual Meeting, whether present in person or represented by proxy, shall only have the power to adjourn the Annual Meeting until such time as there is a quorum. The Annual Meeting may be reconvened without notice to the shareholders, other than an announcement at the prior adjournment of the Annual Meeting, within 120 days after the Record Date, and a quorum must be present at such reconvened Annual Meeting.

If a proxy in the form enclosed is duly executed, dated and returned, and it has not been revoked in accordance with the instructions set forth therein, the shares of Common Stock represented thereby will be voted by Clunet R. Lewis and Karen J. Dearing, the Board's proxy agents for the Annual Meeting, in accordance with the specifications made thereon by the shareholder. If no such specifications are made, such proxy will be voted (i) for the election of the two nominees for director to the Board; (ii) for the ratification of the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm; and (iii) at the discretion of Clunet R. Lewis and Karen J. Dearing with respect to such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

Information concerning principal holders of the Company's Common Stock is discussed under "Security Ownership of Certain Beneficial Owners and Management."

ANNUAL REPORT

Shareholders are concurrently being furnished with a copy of the Company's 2007 Annual Report which contains, among other things, a copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2007, as filed with the Securities and Exchange Commission (the "SEC").

SHAREHOLDER PROPOSALS

Any and all shareholder proposals for inclusion in the proxy materials for the Company's next Annual Meeting of Shareholders must comply with the rules and regulations promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and must be received by the Company, at its offices at 27777 Franklin Road, Suite 200, Southfield, Michigan 48034, not later than January 1, 2009. Such proposals should be addressed to the Company's Secretary. See "Board of Directors and Corporate Governance – Consideration of Director Nominees."

The Company's Bylaws also contain certain provisions which affect shareholder proposals. The Company's Bylaws provide that: (a) with respect to an annual meeting of shareholders, nominations of persons for election to the Board of Directors and the proposal of business to be considered by shareholders may be made only (i) pursuant to the Company's notice of the meeting, (ii) by or at the direction of the Board of Directors, or (iii) by a shareholder of the Company who was a shareholder of record at the time of giving of notice provided for in the Bylaws, is entitled to vote at the meeting and has complied with the advance notice procedures set forth in the Bylaws; and (b) with respect to special meetings of shareholders, only the business specified in the Company's notice of meeting may be brought before the meeting of shareholders, and nominations of persons for election to the Board of Directors may be made only (i) by the Board of Directors, or (ii) provided that the Board of Directors has determined that directors shall be elected at such meeting, by a shareholder of the Company who was a shareholder of record at the time of giving of notice provided for in the Bylaws, is entitled to vote at the meeting and has complied with the advance notice provisions set forth in the Bylaws.

Board of Directors and Committees

Pursuant to the terms of the Company's charter, the board of directors is divided into three classes. The class up for election at the Annual Meeting will hold office for a term expiring at the annual meeting of shareholders to be held in 2011. A second class will hold office for a term expiring at the annual meeting of shareholders to be held in 2009 and a third class will hold office for a term expiring at the annual meeting of shareholders to be held in 2010. Each director will hold office for the term to which he is elected and until his successor is duly elected and qualified. Ronald L. Piasecki and Gary A. Shiffman have terms expiring at the Annual Meeting and are nominees for the class to hold office for a term expiring at the annual meeting of shareholders to be held in 2011. Ted J. Simon, Paul D. Lapidés and Robert H. Naftaly have terms expiring at the annual meeting of shareholders to be held in 2009 and Clunet R. Lewis, Arthur A. Weiss and Stephanie W. Bergeron have terms expiring at the annual meeting of shareholders to be held in 2010. At each annual meeting of the shareholders of the Company, the successors to the class of directors whose terms expire at such meeting will be elected to hold office for a term expiring at the annual meeting of shareholders held in the third year following the year of their election.

The Board meets quarterly, or more often as necessary. The Board met six (6) times during 2007 and took various actions pursuant to resolutions adopted by unanimous written consent. All directors (with the exception of new director Stephanie W. Bergeron as described below) attended at least 75% of the meetings of the Board and each committee on which they served. All directors attended the annual meeting of shareholders held on May 23, 2007.

On May 22, 2007, the size of the Board was expanded from seven (7) directors to eight (8) directors and Stephanie W. Bergeron was appointed to fill the vacancy created as a result of the expansion. Consequently, Ms. Bergeron attended only those Board and Committee meetings that occurred after May 22, 2007. Ms. Bergeron attended all of those meetings.

Several important functions of the Board may be performed by committees that are comprised of members of the Board. The Company's Bylaws authorize the formation of these committees and grant the Board the authority to prescribe the functions of each committee and the standards for membership of each committee. In addition, the Board appoints the members of each committee. The Board has five (5) standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, an Executive Committee and a Special Litigation Committee. You may find copies of the charters of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee under the "Investor Relations-Officers and Directors" section of the Company's website at www.suncommunities.com. You may also find a copy of the Company's corporate governance guidelines and its code of business ethics under the "Investor Relations-Officers and Directors" section of the Company's website at www.suncommunities.com. All of the committee charters, our corporate governance guidelines and the Company's code of business ethics are available in print to any shareholder who requests them.

The Audit Committee operates pursuant to a third amended and restated charter that was approved by the Board in December 2007. A copy of the Audit Committee Charter is attached to this Proxy Statement as Appendix A and is available under the "Investor Relations-Officers and Directors" section of the Company's website at www.suncommunities.com. The Audit Committee, among other functions, (1) has the sole authority to appoint, retain, terminate and determine the compensation of the Company's independent accountants, (2) reviews with the Company's independent accountants the scope and results of the audit engagement, (3) approves professional services provided by the Company's independent accountants, (4) reviews the independence of the Company's independent accountants, and (5) directs and controls the Company's internal audit functions. The current members of the Audit Committee are Messrs. Robert H. Naftaly, Clunet R. Lewis (Chairman) and Ms. Stephanie W. Bergeron, all of whom are "independent" as that term is defined in the rules of the SEC and applicable rules of the New York Stock Exchange ("NYSE"). Until May 22, 2007, when Ms. Bergeron was appointed to the Board, the members of the Audit Committee were Messrs. Naftaly (Co-Chairman), Lewis (Co-Chairman) and Simon. Mr. Naftaly relinquished the title of Co-Chairman of the Audit Committee on October 1, 2007. The Audit Committee held six (6) formal meetings and several informal meetings during the fiscal year ended December 31, 2007. The Board has determined that each member of the Audit Committee is an "audit committee financial expert," as defined by SEC rules. See "Report of the Audit Committee."

The Compensation Committee operates pursuant to a charter that was approved by the Board in March 2004. A copy of the Compensation Committee Charter is available under the “Investor Relations-Officers and Directors” section of our website at www.suncommunities.com. The Compensation Committee, among other functions, (i) reviews and approves corporate goals and objectives relevant to the compensation of the Chief Executive Officer and such other executive officers as may be designated by the Chief Executive Officer, evaluates the performance of such officers in light of such goals and objectives, and determines and approves the compensation of such officers based on these evaluations, (ii) approves the compensation of the Company’s other executive officers, (iii) recommends to the Board for approval the compensation of the non-employee directors and (iv) oversees the Company’s incentive-compensation plans and equity-based plans. The current members of the Compensation Committee are Messrs. Ted J. Simon (Chairman), Clunet R. Lewis and Ronald L. Piasecki, all of whom are independent directors under the NYSE rules. During the fiscal year ended December 31, 2007, the Compensation Committee held four (4) formal meetings and took various actions pursuant to resolutions adopted by unanimous written consent. See “Report of the Compensation Committee on Executive Compensation.”

The Nominating and Corporate Governance Committee (the “NCG Committee”) operates pursuant to a charter that was approved by the Board in March 2004. A copy of the Nominating and Corporate Governance Committee Charter is available under the “Investor Relations-Officers and Directors” section of the Company’s website at www.suncommunities.com. The Nominating and Corporate Governance Committee, among other functions, is responsible for (i) identifying individuals qualified to become Board members, consistent with criteria approved by the Board, (ii) recommending that the Board select the committee-recommended nominees for election at each annual meeting of stockholders, (iii) developing and recommending to the Board a set of corporate governance guidelines applicable to the Company, and (iv) periodically reviewing such guidelines and recommending any changes, and overseeing the evaluation of the Board. The current members of the Nominating and Corporate Governance Committee are Messrs. Ronald L. Piasecki (Chairman), Clunet R. Lewis and Ted J. Simon, all of whom are independent under the NYSE rules. The Nominating and Governance Committee held two (2) formal meetings during the fiscal year ended December 31, 2007.

The Executive Committee was established to generally manage the day-to-day business and affairs of the Company between regular Board meetings. In no event may the Executive Committee, without the prior approval of the Board acting as a whole: (i) recommend to the shareholders an amendment to the Company’s Charter; (ii) amend the Company’s Bylaws; (iii) adopt an agreement of merger or consolidation; (iv) recommend to the shareholders the sale, lease or exchange of all or substantially all of the Company’s property and assets; (v) recommend to the shareholders a dissolution of the Company or a revocation of a dissolution; (vi) fill vacancies on the Board; (vii) fix compensation of the directors for serving on the Board or on a committee of the Board; (viii) declare dividends or authorize the issuance of the Company’s stock; (ix) approve or take any action with respect to any related party transaction involving the Company; or (x) take any other action which is forbidden by the Company’s Bylaws. All actions taken by the Executive Committee must be promptly reported to the Board as a whole and are subject to ratification, revision and alteration by the Board, except that no rights of third persons created in reliance on authorized acts of the Executive Committee can be affected by any such revision or alteration. The current members of the Executive Committee are Messrs. Gary A. Shiffman and Ted J. Simon. The Executive Committee did not hold any formal meetings during the fiscal year ended December 31, 2007 but took various actions pursuant to resolutions adopted by unanimous written consent.

A Special Litigation Committee was established in April 2006, to oversee and monitor the ongoing civil litigation between the SEC and the Company’s Chief Executive Officer and two other employees of the Company arising out of the SEC’s inquiry into the accounting for the SunChamp transactions reflected in the Company’s 2000, 2001 and 2002 financial statements and the indemnification obligations of the Company with respect to such litigation. Because of his extensive involvement with the SEC inquiry in his capacity as a member of the Audit Committee, and because of his background as a litigation attorney, Clunet R. Lewis serves as the sole member of the Special Litigation Committee.

Independence of Non-Employee Directors

The NYSE rules require that a majority of the Board consist of members who are independent. There are different measures of director independence— independence under New York Stock Exchange rules, under Section 16 of the Exchange Act and under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”). The Board has reviewed information about each of the Company’s non-employee directors and determined that Paul D. Lapides, Clunet R. Lewis, Robert H. Naftaly, Ronald L. Piasecki, Ted J. Simon and Stephanie W. Bergeron are independent directors. The independent directors meet on a regular basis in executive sessions without management participation. In 2008, the executive sessions occurred after some of the regularly scheduled meetings of the entire Board and may occur at such other times as the independent directors deem appropriate or necessary. Although the Company has not designated a lead director, typically the Chairman of the Audit Committee presides at the executive sessions of the independent directors.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee has been or will be one of the Company’s officers or employees. The Company does not have any interlocking relationships between its executive officers and the Compensation Committee and the executive officers and compensation committees of any other entities, nor has any such interlocking relationship existed in the past.

Consideration of Director Nominees

Board Membership Criteria

The Board of Directors has established criteria for Board membership. These criteria include the following specific, minimum qualifications that the NCG Committee believes must be met by an NCG Committee-recommended nominee for a position on the Board:

- The candidate must have experience at a strategic or policymaking level in a business, government, non-profit or academic organization of high standing;
- The candidate must be highly accomplished in his or her field, with superior credentials and recognition;
- The candidate must be well regarded in the community and must have a long-term reputation for high ethical and moral standards;
- The candidate must have sufficient time and availability to devote to the Company’s affairs, particularly in light of the number of boards on which the nominee may serve; and
- The candidate’s principal business or occupation must not be such as to place the candidate in competition with the Company or conflict with the discharge of a director’s responsibilities to the Company or its stockholders.

In addition to the minimum qualifications for each nominee set forth above, the NCG Committee will recommend director candidates to the full Board for nomination, or present director candidates to the full Board for consideration, to help ensure that:

- A majority of the Board of Directors shall be “independent” as defined by the NYSE rules;
- Each of its Audit, Compensation and NCG Committees shall be comprised entirely of independent directors; and
- At least one member of the Audit Committee shall have such experience, education and qualifications necessary to qualify as an “audit committee financial expert” as defined by the rules of the SEC.

Consideration of Shareholder Nominated Directors

The NCG Committee’s current policy is to review and consider any director candidates who have been recommended by shareholders in compliance with the procedures established from time to time by the NCG Committee. All shareholder recommendations for director candidates must be submitted in writing to our Secretary at Sun Communities, Inc., 27777 Franklin Road, Suite 200, Southfield, MI 48034, who will forward all recommendations to the NCG Committee. The Company did not receive any shareholder recommendations for director candidates for election at the Annual Meeting. All shareholder recommendations for director candidates for election at the 2009 annual meeting of shareholders must be submitted to our Secretary on or before January 1, 2009 and must include the following information:

- The shareholder’s name, address, number of shares owned, length of period held and proof of ownership;
- The name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five full fiscal years of the proposed director candidate;
- A description of the qualifications and background of the proposed director candidate which addresses the minimum qualifications and other criteria for Board membership as approved by the Board from time to time;
- A description of all arrangements or understandings between the shareholder and the proposed director candidate;
- The consent of the proposed director candidate (1) to be named in the proxy statement relating to the Company’s annual meeting of stockholders and (2) to serve as a director if elected at such annual meeting; and
- Any other information regarding the proposed director candidate that is required to be included in a proxy statement filed pursuant to the rules of the SEC.

Identifying and Evaluating Nominees

The NCG Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, executive officers, third-party search firms or any other source it deems appropriate. The NCG Committee will review and evaluate the qualifications of any proposed director candidate that it is considering or has been recommended to it by a shareholder in compliance with the NCG Committee’s procedures for that purpose, and conduct inquiries it deems appropriate into the background of these proposed director candidates. When nominating a sitting director for re-election, the NCG Committee will consider the director’s performance on the Board and the director’s qualifications in respect to the criteria set forth above. Other than circumstances in which we are legally required by contract or otherwise to provide third parties with the ability to nominate directors, the NCG Committee will evaluate all proposed director candidates based on the same criteria and in substantially the same manner, with no regard to the source of the initial recommendation of the proposed director candidate.

**ELECTION OF DIRECTORS
(Proposal 1)**

The first matter to be considered at the Annual Meeting will be the election of two directors. Following the recommendation of the NCG Committee, the Board of Directors has nominated Ronald L. Piasecki and Gary A. Shiffman to serve as directors. Each director shall be elected by a plurality of the votes cast at the Annual Meeting. Therefore, if a quorum is present, abstentions will have no effect on the election of directors. Proxies will be tabulated by the Company's transfer agent. The Inspector of Elections appointed at the Annual Meeting will then combine the proxy votes with the votes cast at the Annual Meeting. Each director elected at the Annual Meeting will serve for a term commencing on the date of the Annual Meeting and continuing until the Annual Meeting of Shareholders to be held in 2011 or until his successor is duly elected and qualified. In the absence of directions to the contrary, proxies will be voted in favor of the election of the two nominees listed below.

If either of the nominees named below are unavailable to serve for any reason, then a valid proxy may be voted for the election of such other persons as the person or persons voting the proxy may deem advisable in accordance with their best judgment. Management has no present knowledge that either of the persons named will be unavailable to serve. In any event, the enclosed proxy can be voted for only the two nominees named in this Proxy Statement or their substitutes.

THE BOARD RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES NAMED BELOW. PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" THE NOMINEES UNLESS INSTRUCTIONS TO WITHHOLD OR TO THE CONTRARY ARE GIVEN.

The following list identifies each incumbent director and nominee for election to the Board at the Annual Meeting and describes each person's principal occupation for the past five years. Each of the directors has served continuously from the date of his election to the present time.

**RATIFICATION OF APPOINTMENT OF GRANT THORNTON LLP
(Proposal 2)**

The final matter to be considered at the Annual Meeting will be the ratification of the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm. The Audit Committee has selected and appointed Grant Thornton LLP as the Company's independent registered public accounting firm to audit its consolidated financial statements for the year ending December 31, 2008 and thereafter. Grant Thornton has audited our consolidated financial statements since 2003. Although ratification by shareholders is not required by law or by the Company's bylaws, the Audit Committee believes that submission of its selection to shareholders is a matter of good corporate governance. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time if the Audit Committee believes that such a change would be in the best interests of the Company and its shareholders. If the Company's shareholders do not ratify the appointment of Grant Thornton, the Audit Committee will take that fact into consideration, together with such other factors it deems relevant, in determining its next selection of independent auditors.

It is anticipated that a representative of Grant Thornton will attend the Annual Meeting, will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Fees

Aggregate fees for professional services rendered by Grant Thornton, LLP, the Company's independent auditors, for the fiscal years ended December 31, 2007 and December 31, 2006 were as follows:

Audit-Related Fees: For professional services rendered for accounting assistance with new accounting standards and potential transactions and other SEC related matters	\$ 55,789	\$ 114,173
Tax Fees	\$ —	\$ —
All Other Fees	\$ —	\$ —

Auditor Fees Policy

The Audit Committee has a policy concerning the pre-approval of audit and non-audit services to be provided by the Company's independent auditors. The policy requires that all services provided by the independent auditor to the Company, including audit services, audit-related services, tax services and other services, must be pre-approved by the Audit Committee. In some cases, pre-approval is provided by the full Audit Committee for up to a year, and relates to a particular category or group of services and is subject to a particular budget. In other cases, specific pre-approval is required. The Audit Committee approved all audit and non-audit related services provided to the Company by Grant Thornton during the 2007 fiscal year.

Vote Required

The affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the meeting and entitled to vote on this proposal is required for the ratification of the appointment of Grant Thornton. Abstentions shall be included in determining the number of shares present and entitled to vote on the proposal, thus having the effect of a vote against the proposal. In the absence of your voting instructions, your bank, broker or other nominee may vote your shares in its discretion.

Recommendation

THE BOARD RECOMMENDS A VOTE "FOR" THIS PROPOSAL. PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" THIS PROPOSAL UNLESS INSTRUCTIONS TO WITHHOLD OR TO THE CONTRARY ARE GIVEN.

Compensation Discussion and Analysis

Compensation Committee Composition and Charter

The Compensation Committee assists the Board in fulfilling its responsibilities for determining the compensation offered to the Company's executive officers. The Compensation Committee, among other functions:

- consults with executive management in developing a compensation philosophy;
- evaluates and approves compensation for the Company's Chief Executive Officer and other executive officers; and
- oversees the Company's cash and equity incentive plans.

The Compensation Committee has the authority to retain and terminate independent, third-party compensation consultants and to obtain independent advice and assistance from internal and external legal, accounting and other advisors. Each member of the Compensation Committee is independent under NYSE rules. A copy of the Compensation Committee Charter is available under the "Investor Relations-Officers and Directors" section of the Company's website at www.suncommunities.com.

Compensation Philosophy and Objectives

The goals and objectives of the Company's executive compensation program are to attract and retain a skilled executive team to manage, lead and direct the Company's personnel and capital to obtain the best possible economic results given the severely depressed cycle in the manufactured housing industry.

The executive compensation program supports the Company's commitment to providing superior shareholder value. This program is designed to:

- attract, retain and reward executives who have the motivation, experience and skills necessary to lead the Company effectively and encourage them to make career commitments to the Company;
- base executive compensation levels on the overall financial and operational performance of the Company and the individual contribution of an executive officer to the success of the Company;
- create a link between the performance of the Company's stock and executive compensation; and
- position executive compensation levels to be competitive with other similarly situated public companies including the real estate industry in general and manufactured housing REITs in particular.

Annual salary and bonuses are intended to be competitive in the marketplace to attract and retain executives. Stock options and restricted stock are intended to provide longer-term motivation which has the effect of linking stock price performance to executive compensation. Restricted stock is also intended to provide post-retirement financial security in lieu of other forms of more costly supplemental retirement programs. The Company has not implemented any policies related to stock ownership guidelines for its executive management or for members of the Board.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all decisions regarding the compensation of executive officers, including cash-based and equity-based incentive compensation programs. The Compensation Committee reviews the performance of the Chief Executive Officer. The Compensation Committee and the Chief Executive Officer annually review the performance of the other executive officers. The conclusions reached and recommendations based on these reviews, including with respect to bonuses and annual award amounts, are presented by the Chief Executive Officer to the Compensation Committee, which can exercise its discretion in modifying any recommended bonuses or awards.

Compensation Components and Processes

In order to implement the Company's executive compensation philosophy, the Compensation Committee exercises its independent discretion in reviewing and approving the executive compensation program as a whole, as well as specific compensation levels for each executive officer. Final aggregate compensation determinations for each fiscal year are generally made after the end of the fiscal year, after financial statements for such year become available. At that time, the Compensation Committee determines bonuses, if any, for the past year's performance, sets base salaries for those executive officers that are not bound by employment agreements for the following fiscal year and makes awards of equity-based compensation, if any. In addition, the Compensation Committee bases its decisions on the most recent publicly available compensation data for senior executive officers of comparable REITs, as well as various compensation studies and surveys, to ensure that compensation packages are in line with the Company's peer group and the real estate industry in general. While comparative market data is a valuable tool to assist the Compensation Committee in setting reasonable and fair compensation for the Company's executive officers, the stated philosophy of the Company's executive compensation program is to recognize individual contributions to the performance of the Company and to create a link between the Company's financial performance and executive compensation.

The key components of executive officer compensation are salary, bonuses, restricted stock awards and stock option grants. Salary is generally based on factors such as an individual officer's level of responsibility, prior years' compensation, comparison to compensation of other officers in the Company, and compensation provided at competitive companies and companies of similar size. Cash bonuses, restricted stock awards and stock option awards are intended to reward exceptional performance by the individual executive officer and the Company. Benchmarks for determining bonus levels include individual performance, Company performance against budget and growth in funds from operations ("FFO"), in each case as measured against targets established by the Compensation Committee. FFO is defined by the National Association of Real Estate Investment Trusts ("NAREIT") as net income (computed in accordance with generally accepted accounting principles), excluding gains (or losses) from sales of depreciable operating property, plus real estate-related depreciation and amortization, and after adjustments for unconsolidated partnerships and joint ventures. FFO is a non-GAAP financial measure that management believes is a useful supplemental measure of the Company's operating performance. Management generally considers FFO to be a useful measure for reviewing comparative operating and financial performance because, by excluding gains and losses related to sales of previously depreciated operating real estate assets and excluding real estate asset depreciation and amortization (which can vary among owners of identical assets in similar condition based on historical cost accounting and useful life estimates), FFO provides a performance measure that, when compared year over year, reflects the impact to operations from trends in occupancy rates, rental rates and operating costs, providing perspective not readily apparent from net income.

Stock options grants that were outstanding as of December 31, 2007 were awarded in 1998, 1999 and 2001. Stock option grants are valued on the date of grant. Stock option grants vest ratably over three years from the date of grant and expire on the tenth anniversary of the date of grant. As stock options can be fully exercised after three years, they represent a medium-term incentive, the value of which is directly aligned with the achievement of enhanced value for shareholders. Stock options are issued at the market price of the stock on the date of grant except that the options issued in 2001 were granted at 85% of the market price. This differential has been amortized as expense. All of the unexercised options issued to executives in prior years are currently "out of the money" due to the current market value of the Company's stock. In addition, options to acquire 45,000 shares of common stock awarded to the named executives in 1998 expired unexercised in January of 2008.

Restricted stock awards that are currently outstanding were awarded in 1998, 2001, 2002 and 2004. Restricted stock awards generally begin to vest after three to four years from the date of grant and then vest over the following six to nine years. The Company's executive officers (as well as the Company's employees that receive restricted stock awards) receive dividends on the restricted stock awards that have not vested. The Company believes that restricted stock awards represent a long-term incentive to key executives to remain committed to the Company and its objectives. The Company has not awarded any restricted stock to executives since 2004 but may find it necessary to award such shares in the future particularly due to the depressed state of the manufactured housing industry and the need to retain talented executives. Restricted stock awards encourage the development of a longer term view and strategy for the growth and success of the Company's business along with providing motivation for a long term commitment to the Company by its executives.

Employment Agreements

Gary A. Shiffman

In 2005, the Company entered into an employment agreement with Gary A. Shiffman pursuant to which Mr. Shiffman serves as Chief Executive Officer of the Company. Mr. Shiffman's employment agreement is for an initial term ending December 31, 2011 and is automatically renewable for successive one year terms thereafter unless either party timely terminates the agreement. Pursuant to this employment agreement, Mr. Shiffman is paid an annual base salary of \$545,000, which will be increased by an annual cost of living adjustment beginning with calendar year 2006. In addition to his base salary and in accordance with the terms of his employment agreement, Mr. Shiffman is entitled to annual incentive compensation of up to 75% of his then current base salary if he satisfies certain individual and company performance criteria established from time to time by the Board and Mr. Shiffman is entitled to annual incentive compensation of up to 25% of his then current base salary in the sole discretion of the Compensation Committee. The non-competition clauses of Mr. Shiffman's employment agreement preclude him from engaging, directly or indirectly: (a) in the real estate business or any ancillary business of the Company during the period he is employed by the Company; and (b) in the manufactured housing community business or any ancillary business of the Company for a period of eighteen months following the period he is employed by the Company. However, Mr. Shiffman's employment agreement does allow him to make passive investments relating to real estate in general or the housing industry in particular (other than in manufactured housing communities) during the period he is employed by the Company.

A copy of Mr. Shiffman's employment agreement is attached as an exhibit to the Company's periodic filings under the Exchange Act.

Jeffrey P. Jorissen

In 2005, the Company entered into an employment agreement with Jeffrey P. Jorissen pursuant to which Mr. Jorissen served as Chief Financial Officer of the Company. Mr. Jorissen's employment agreement is for an initial term ending December 31, 2010 and is automatically renewable for successive one year terms thereafter unless either party timely terminates the agreement. Mr. Jorissen's employment agreement was amended in 2008, in connection with the management realignment discussed above to reflect his new title and role with the Company. Pursuant to this employment agreement, Mr. Jorissen is paid an annual base salary of \$314,325, which will be increased by an annual cost of living adjustment beginning with calendar year 2006. In addition to his base salary and in accordance with the terms of his employment agreement, Mr. Jorissen is entitled to annual incentive compensation of up to 75% of his then current base salary if he satisfies certain individual and company performance criteria established from time to time by the Board and Mr. Jorissen is entitled to annual incentive compensation of up to 25% of his then current base salary in the sole discretion of the Compensation Committee. The non-competition clauses of Mr. Jorissen's employment agreement preclude him from engaging, directly or indirectly, in the real estate business or any ancillary business of the Company during the period he is employed by the Company and for a period of eighteen months thereafter.

A copy of Mr. Jorissen's employment agreement is attached as an exhibit to the Company's periodic filings under the Exchange Act.

Brian W. Fannon

In 2005, the Company entered into an employment agreement with Brian W. Fannon pursuant to which Mr. Fannon served as Chief Operating Officer of the Company. In February of 2008, Mr. Fannon agreed to step into the role of President, and to no longer serve as Chief Operating Officer, in connection with the management realignment discussed above. Mr. Fannon's employment agreement is for an initial term ending December 31, 2009 and is automatically renewable for successive one year terms thereafter unless either party timely terminates the agreement. Pursuant to his employment agreement, Mr. Fannon is paid an annual base salary of \$403,700, which will be increased by an annual cost of living adjustment beginning with calendar year 2006. In addition to his base salary and in accordance with the terms of his employment agreement, Mr. Fannon is entitled to annual incentive compensation of up to 75% of his then current base salary if he satisfies certain individual and company performance criteria established from time to time by the Board and Mr. Fannon and is entitled to annual incentive compensation of up to 25% of his then current base salary in the sole discretion of the Compensation Committee. This employment agreement also provides Mr. Fannon with cash compensation based on the dividends resulting from, and the market prices on certain dates of, up to 4,167 shares of stock. The non-competition clauses of Mr.

Fannon's employment agreement precludes him from engaging, directly or indirectly, in the real estate business or any ancillary business of the Company during the period he is employed by the Company and for a period of between twelve and twenty-four months thereafter.

A copy of Mr. Fannon's employment agreement is attached as an exhibit to the Company's periodic filings under the Exchange Act.

2007 Compensation

The base salaries for the named executive officers for the year ended December 31, 2007, were paid in accordance with existing employment agreements or arrangements with the Company. No equity incentive awards were granted to any of the named executive officers in 2007 and the performance based equity awards issued in 2004 were cancelled in March of 2008. In addition to their base salaries, the named executive officers received, in the aggregate, bonuses of \$393,500 for the year ended December 31, 2007. Each named executive officer is entitled, under the terms of their employment agreements with the Company (in the case of Messrs. Shiffman, Jorissen and Fannon), to receive a bonus of up to 75% of his base salary, subject to the discretion of the Compensation Committee, if certain annual individual and Company performance criteria, as established by the Compensation Committee, are met and up to 25% of his base salary at the sole discretion of the Compensation Committee. After review of the individual performance of each executive, the performance of the Company in relation to its stated FFO growth objective of 5%, the performance of the Company in relation to its annual budget, and the condition of the manufactured housing industry in general, the Compensation Committee determined that the efforts of the named executive officers were substantial and directly contributed to the 4% adjusted FFO growth that the Company achieved. (Adjusted FFO was determined by excluding the affect of certain equity losses and impairment charges related to the Company's investment in Origen Financial, Inc.) The Compensation Committee used its discretionary authority to award Messrs. Shiffman, Jorissen and Fannon bonuses ranging from 22% to 32% of their respective base salaries for the fiscal year ended December 31, 2007.

In the case of Mr. Colman, who does not have an employment agreement with the Company, an annual bonus may be awarded up to 50% of his base salary if certain FFO and financial budget objectives, approved by the Board, are achieved by the Company and up to 50% of his base salary, if in the determination of the Compensation Committee, Mr. Colman satisfies certain acquisition and disposition criteria established by the Chief Executive Officer. After review of Mr. Colman's individual performance and the financial performance of the Company, the Chief Executive Officer recommended, and the Compensation Committee approved, a bonus of 25% of Mr. Colman's base salary for the fiscal year ended December 31, 2007.

Tax and Accounting Implications

Deductibility of Executive Compensation.

Section 162(m) of the Internal Revenue Code limits the deductibility on the Company's tax return of compensation over \$1 million to any of its named executive officers. However, compensation that is paid pursuant to a plan that is performance-related, non-discretionary and has been approved by the Company's stockholders is not subject to section 162(m). The Company has such a plan and may utilize it to mitigate the potential impact of section 162(m). The Company did not pay any compensation during 2007 that would be subject to section 162(m). The Company believes that, because it qualifies as a REIT under the Internal Revenue Code and therefore is not subject to federal income taxes on its income to the extent distributed, the payment of compensation that does not satisfy the requirements of section 162(m) will not generally affect the Company's net income. However, to the extent that compensation does not qualify for deduction under section 162(m) or under short term incentive plans approved by shareholders to, among other things, mitigate the effects of section 162(m), a larger portion of shareholder distributions may be subject to federal income taxation as dividend income rather than return of capital. The Company does not believe that section 162(m) will materially affect the taxability of shareholder distributions, although no assurance can be given in this regard due to the variety of factors that affect the tax position of each shareholder. For these reasons, the Compensation Committee's compensation policy and practices are not directly governed by section 162(m).

409A Considerations.

The Company has also taken into consideration Internal Revenue Code Section 409A in the design and implementation of the Company's compensation programs. If an executive is entitled to nonqualified deferred compensation benefits that are subject to Section 409A, and such benefits do not comply with Section 409A, then the benefits are taxable in the first year they are not subject to a substantial risk of forfeiture. In such case, the executive is subject to regular federal income tax, interest and an additional federal income tax of 20% of the benefit includible in income.

REPORT OF THE AUDIT COMMITTEE

The Board maintains an Audit Committee comprised of three of the Company's directors. The directors who serve on the Audit Committee are all "independent" for purposes of the New York Stock Exchange listing standards. The Audit Committee held six (6) formal meetings and several informal meetings during the 2007 fiscal year.

In accordance with its written charter, the Audit Committee assists the Board with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- reviewed and discussed the audited financial statements with management and Grant Thornton, LLP, the Company's independent auditors, for the fiscal year ended December 31, 2007;
- discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards); and
- reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board's Standard No. 1 (Independence Discussions with Audit Committees), and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2007, as filed with the Securities and Exchange Commission.

The Audit Committee has considered and determined that the level of fees of Grant Thornton LLP for provision of services other than the audit services is compatible with maintaining the auditor's independence.

CERTAIN TRANSACTIONS

Relationship with Origen

The Company and its affiliates have entered into the following transactions with Origen Financial, Inc. ("Origen"):

- *Capital Investment in Origen.* In 2003 the Company acquired 5,000,000 shares of common stock in Origen in a private placement transaction at \$10 per share. In addition, Shiffman Origen LLC (100 percent of which is owned by the Milton M. Shiffman Spouse's Marital Trust, Gary A. Shiffman and members of his family and solely managed by Arthur A. Weiss) acquired 1,025,000 shares of common stock of Origen at \$10 per share.
- *Board Membership.* Gary A. Shiffman, the Chairman and Chief Executive Officer of the Company, is a member of the Board of Directors of Origen.
- *Loan Servicing Agreement.* Origen Servicing, Inc., a wholly owned subsidiary of Origen, serviced approximately \$30.6 million and \$20.6 million in manufactured home loans for the Company as of December 31, 2007 and 2006, respectively. The Company pays Origen Servicing, Inc. an annual servicing fee of 100 to 150 basis points of the outstanding principal balance of the loans pursuant to a Loan Servicing Agreement, which totaled approximately \$0.4 million, \$0.3 million and \$0.3 million during 2007, 2006 and 2005, respectively.
-

Loan Origination, Sale and Purchase Agreement. Origen has agreed to fund loans that meet the Company's underwriting guidelines and then transfer those loans to the Company pursuant to a Loan Origination, Sale and Purchase Agreement. The Company pays Origen a fee of \$550 per loan pursuant to a Loan Origination, Sale and Purchase Agreement which totaled approximately \$0.2 million, \$0.2 million and \$0.1 million during 2007, 2006 and 2005, respectively. During 2007 and 2006, the Company purchased, at par, \$13.3 million and \$7.9 million of these loans, respectively.

- *Purchase of Repossessed Manufactured Homes.* The Company purchases certain repossessed manufactured houses owned by Origen and located in the Company's manufactured housing communities. The Company purchased approximately \$1.1 and \$1.2 million of repossessed homes from Origen during 2007 and 2006, respectively. This program allows the Company to retain houses for resale and rent in its communities and allows Origen to enhance recoveries on its repossessed homes.
- *Sale of Installment Loans on Manufactured Homes.* As noted above, Origen services manufactured home loans for the Company under a Loan Servicing Agreement. Certain loans may, from time to time, be sold to Origen. For loans that are made below published rates, the Company will pay Origen the interest differential between market rates and the rate paid by the borrower for any such loans sold to Origen. During 2004, the Company sold a portfolio of below published rate loans totaling \$1.6 million to Origen. No sales of such loans were made in 2005, 2006 or 2007. The Company paid interest differential of approximately \$0.1 million during each of 2007, 2006, and 2005. In addition, in the third quarter of 2006, the Company sold a portfolio of installment loans on manufactured homes totaling approximately \$4.1 million to a wholly-owned subsidiary of Origen for 100.5 percent of the principal balance for loans that were 89 days or less delinquent and 100 percent of the principal balance for loans that were 90 days or more delinquent. The Company recognized a gain on the sale of these notes of \$0.02 million.
- *Miscellaneous.* Fees paid to Origen for origination and servicing are generally consistent with fees charged by Origen for similar services provided to non-affiliates. As a provider of financing for the purchase of manufactured homes, Origen occasionally provides third party financing for individuals that purchase a Sun Home Services home. Origen financed approximately 2.2 percent and 2.8 percent of Sun Home Services total home sales for the year ended December 31, 2007 and 2006, respectively.

Lease of Principal Executive Offices

Gary A. Shiffman, together with certain family members, indirectly owns approximately a 21 percent equity interest in American Center LLC, the entity from which the Company leases office space for its principal executive offices. Arthur A. Weiss owns a 0.75 percent indirect interest in American Center LLC. This lease is for an initial term of five years, beginning May 1, 2003, and the Company has the right to extend the lease for an additional five year term. On July 30, 2007 the Company exercised its option to extend its lease for its executive offices. The extension is for a period of five years commencing on May 1, 2008. The base rent for the option term will continue to be the same as the rent payable at the end of the current term. The current annual base rent under the current lease is \$21.50 per square foot (gross). Messrs. Shiffman and Weiss may have a conflict of interest with respect to their obligations as an officer and/or director of the Company and their ownership interest in American Center LLC.

Loans to Chief Executive Officer

In 1995, the Company issued Gary A. Shiffman, its Chief Executive Officer and President, 400,000 shares of common stock for \$8,650,000 (the "Purchase Price"). The Purchase Price is evidenced by three (3) separate 10-year promissory notes that bear interest at a rate equal to six months' LIBOR plus 175 basis points, with a maximum interest rate of 9% per annum and a minimum interest rate of 6% per annum (the "Promissory Notes"). Two of the Promissory Notes (with an initial aggregate principal amount of approximately \$7.6 million) are secured by approximately 211,000 shares of common stock of the Company held by Mr. Shiffman (the "Secured Shares") and/or 99,000 common partnership units in Sun Communities Operating Limited Partnership (the "Secured Units") and the last Promissory Note (with an initial principal amount of approximately \$1.0 million) is unsecured but fully recourse to Mr. Shiffman. Mr. Shiffman's personal liability on the secured Promissory Notes is limited to all accrued interest on such notes plus fifty percent (50%) of the deficiency, if any, after application of the proceeds from the sale of the Secured Shares and/or the Secured Units to the then outstanding principal balance of

the Promissory Notes. The Promissory Notes provide for quarterly interest only payments and provide that all cash distributions and dividends paid to Mr. Shiffman on the Secured Shares and the Secured Units (the "Distributions") will first be applied toward the accrued and unpaid interest under the Promissory Notes and sixty percent (60%) of the remainder of the Distributions, if any, will be applied toward the outstanding principal balance of the Promissory Notes.

In April 1997, the Company loaned Mr. Shiffman an additional \$2,600,391 on terms substantially identical to the terms of the other loan to Mr. Shiffman, as described above, and such loan is secured by approximately 62,000 shares of common stock of the Company held by Mr. Shiffman (the promissory notes evidencing this loan, together with the Promissory Notes, are hereinafter referred to as the "Shiffman Notes").

On July 15, 2002, the due date of the Shiffman Notes was extended such that one-third of the principal balance becomes due on December 31, 2008, an additional one-third of the principal balance becomes due on December 31, 2009 and the balance of the Shiffman Notes becomes due on December 31, 2010.

The largest aggregate indebtedness outstanding under the Shiffman Notes since January 1, 2007 was approximately \$9.1 million. As of March 31, 2008, the amount outstanding under the Shiffman Notes was approximately \$8.6 million.

Legal Counsel

During 2007, JRH&W acted as the Company's general counsel and represented the Company in various matters. Arthur A. Weiss, a director of the Company, is the Chairman of the Board of Directors and a shareholder of such firm. For services rendered in 2007, the Company incurred legal fees and expenses of approximately \$0.8 million from JRH&W.

Tax Consequences Upon Sale of Properties

Gary A. Shiffman holds limited partnership interests in Sun Communities Operating Limited Partnership, our operating partnership, which he received in connection with the contribution of 24 properties from entities previously affiliated with him (the "Sun Partnerships"). Prior to any redemption of these limited partnership interests for the Company's common stock, Mr. Shiffman will have tax consequences different from those of the Company and the Company's public stockholders on the sale of any of the Sun Partnerships. Four of the properties have been sold to date.

Policies and Procedures for Approval of Related Party Transactions

No executive officer or director of the Company (or any family member or affiliate of such executive officer or director) may enter into any transaction or arrangement with the Company that reasonably could be expected to give rise to a conflict of interest without the prior approval of the Nominating and Corporate Governance Committee. Any such transaction or arrangement must be promptly reported to the Nominating and Governance Committee or the full Board. Any such disclosure provided by an executive officer or director is reviewed by the Nominating and Corporate Governance Committee and approved or disapproved. In determining whether to approve such a transaction or arrangement, the Nominating and Corporate Governance Committee takes into account, among other factors, whether the transaction was on terms no less favorable to the Company than terms generally available to third parties and the extent of the executive officer's or director's involvement in such transaction or arrangement.

The current policy was adopted and approved in 2004. All related party transactions disclosed above were approved by either the Nominating and Corporate Governance Committee or the full Board.

- prepare the Audit Committee Report required by the rules of the Securities and Exchange Commission (the "SEC") to be included in the Company's annual proxy statement.

II. Composition

The Audit Committee shall consist of at least three (3) members of the Board, each of whom shall satisfy the independence requirements established by the New York Stock Exchange Listed Company Manual for listing on the exchange and all other applicable legal and regulatory requirements. All members of the Audit Committee shall have a working familiarity with basic finance and accounting practices and at least one (1) member of the Audit Committee shall be an "audit committee financial expert" (as defined in Item 401(h) of Regulation S-K).

No member of the Audit Committee may simultaneously serve on the audit committee of more than three (3) issuers having securities registered under Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Audit Committee.

III. Compensation

A member of the Audit Committee may not, other than in his or her capacity as a member of the Audit Committee, the Board or any other committee established by the Board, receive directly or indirectly any consulting, advisory or other compensatory fee from the Company.
